Product short description:

The "Nastrino Covid 19 - Sars 2 Protezione Civile Piemonte" is a commemorative ribbon for anyone wishing to honor the work of the Protezione Civile Piemonte and remember the community effort during the COVID-19 pandemic.

- **Material:** Made from high-quality materials for a neat, lasting finish.
- **Use:** Wear on clothing or keep as a small, visible memento of support and remembrance.
- **Tribute:** Represents the commitment and sacrifice of those who worked on the front line.
- **Meaning:** A simple gesture that symbolizes solidarity, resilience and community cooperation.

Product description:

Product overview

The Nastrino Covid 19 - Sars 2 della Protezione Civile Piemonte is a commemorative ribbon created to honor volunteer staff who served during the Sars-CoV-2 pandemic; it is aimed at volunteers, current and former civil protection personnel, collectors and uniformed services. Definition: a ceremonial ribbon that recognizes service and sacrifice by Protezione Civile

Piemonte volunteers during the 2020–2022 Covid-19 emergency.

Made with durable materials and a formal design, the ribbon works well on uniforms, in military surplus displays, or as part of a tactical or duty badge collection. Part of the proceeds supports the activities and compensation of Protezione Civile Piemonte volunteers.

Main features

Key characteristics and visual details of the Nastrino Covid 19 - Sars 2.

- **Official name:** Nastrino Covid 19 - Sars 2 della Protezione Civile Piemonte.
- **Color and design:** pearl gray field with vertical red and royal blue stripes at the ends.
- **Central emblem:** bacteriological and chemical symbol referencing public health measures.
- **Materials:** high-quality, long-lasting fabric and finishing to preserve appearance over time.
- **Formats:** flat regulation version and a slightly domed "Elite" variant for a three-dimensional look.
- **Attachment options:** available with clips (morsetti) for quick use or screws (viti) for secure fixation.
- **Display:** compatible with multi-ribbon holders for neat presentation of multiple awards.

How to use / When it’s useful

Wear the ribbon on uniforms during formal events, ceremonies, or daily duty when a recognition ribbon is appropriate. It is also suitable for collectors and for mounting in a metal multi-ribbon display to show multiple honors together.

Quick answer: use the flat version for standard uniform wear and the Elite domed version for ceremonies or a more prominent display. In most cases, select clips for easy removal or screws for a permanent, stable fit depending on your uniform and activity level.

Care and notes

Simple care keeps the ribbon looking professional and preserves its symbolic value.

- Keep dry and store flat or in a ribbon holder to avoid deformation.
- Clean gently with a soft, dry cloth; avoid harsh chemicals or machine washing.
- Choose screws for long-term wear or high-activity use to reduce the risk of loss.
- Note: the ribbon is a recognition item and not a certification of rank or qualification.

FAQ

Q: What does the Nastrino Covid 19 - Sars 2 represent?

A: It is a recognition ribbon for volunteers of Protezione Civile Piemonte who served during the

Covid-19 pandemic. It honors their service, solidarity and dedication from 2020 to 2022.

Q: Which formats are available?

A: Two main formats: the regulation flat version for standard wear and a slightly domed "Elite" variant that offers a three-dimensional look for ceremonies or display.

Q: What attachment options can I choose?

A: You can choose clips (morsetti) for easy on/off or screws (viti) for a more secure, permanent mount on the uniform or display bar.

Q: Is this ribbon suitable for collectors and military surplus displays?

A: Yes. The ribbon's design and durable materials make it suitable for collectors, military surplus displays, tactical and duty uniform arrangements, and professional presentation cases.

Q: Where do proceeds from sales go?

A: Proceeds help support Protezione Civile Piemonte activities and contribute to volunteer compensation and operational projects related to public safety and health.

Q: How do I pick the right variant?

A: Choose the flat regulation variant for everyday uniform use and the Elite domed version for formal wear or display. Also decide between clips or screws based on how often you will attach and remove the ribbon.

Tip: Select the variant and attachment that match your uniform and activity level, and consider a metal multi-ribbon holder to display multiple ribbons neatly; browse related ribbons and holders to complete your collection or uniform set.
