Product short description:

The Cintura Canapa Nera 4 cm. Fibbia Neutra is a black hemp belt for everyday and work wear. Durable and sustainable, it suits customers who want a versatile, unobtrusive accessory.

- **Material:** Strong hemp webbing for long-lasting use while keeping a natural appearance.
- **Buckle:** Neutral metal buckle for a clean, modern look that pairs with casual or smarter outfits.
- **Width:** 4 cm for comfortable support without excess bulk.
- **Use:** Suitable for casual, work, or uniform-style clothing; easy to match with different garments.

Product description:

Product overview

The Cintura Canapa Nera 4 cm Fibbia Neutra is a black hemp belt designed for anyone seeking a simple, durable belt for everyday, smart-casual, or tactical-style use. Definition: it is a 4 cm wide hemp canvas belt with a neutral metal buckle and keeper, made to fit a 140 cm length.

Made from sustainable hemp, this belt combines a clean, versatile look with low environmental impact. It is popular with tactical, military-surplus and duty-style wardrobes and is offered in limited stock.

Main features

Key features focus on material, dimensions and practical design for civilian or utility use.

- **Material:** Black hemp canvas — natural and low-impact.
- **Width:** 4 cm, a standard size for belts that pairs with trousers and uniform gear.
- **Length:** 140 cm overall length.
- **Buckle:** Neutral metal buckle with keeper; designed to be adjustable for a secure fit.
- **Durability:** Hemp fibre is known for strength and long wear life.
- **Versatility:** Works with formal, casual, tactical and duty-style outfits.

How to use / When it’s useful

Quick answer: wear it like any standard belt — thread through belt loops and adjust the buckle to the desired fit. The 4 cm width fits most trouser loops and many duty-style rigs or gear belts.

In most cases, this belt suits everyday clothing, smart-casual outfits and light duty or tactical-style applications where a sturdy, low-profile belt is preferred. Its neutral metal buckle and black hemp finish make it easy to match with uniforms or civilian wear.

Care and notes

Basic care keeps the belt looking and performing well over time.

- Wipe clean with a damp cloth; avoid soaking the belt.
- Air dry away from direct heat and prolonged sunlight to avoid fading.
- Store flat or rolled to prevent creasing.
- Available length: 140 cm. Check measurements before purchase as other lengths are not currently listed.

FAQ

Q: What is the belt length?

A: The belt length is 140 cm measured end to end. This length suits a wide range of waist sizes but check your preferred fit before ordering.

Q: Is the buckle adjustable?

A: Yes. The neutral metal buckle includes a keeper and can be adjusted to achieve a secure,

comfortable fit.

Q: Is this belt suitable for formal occasions?

A: Yes. The black hemp finish and simple metal buckle create a clean, understated look suitable for both formal and casual settings.

Q: Is hemp a durable material for a belt?

A: Yes. Hemp is a strong natural fibre known for durability and long-term wear, making it a practical choice for daily or light-duty use.

Q: Are other colors or lengths available?

A: At present this model is offered in black only and in the 140 cm length. Availability may be limited, so check stock before ordering.

Q: How should I clean and maintain the belt?

A: Wipe with a damp cloth, avoid machine washing or harsh chemicals, and let it air dry fully. Store away from direct sunlight to preserve color and fibres.

Tip: Choose the right length by measuring an existing comfortable belt from buckle to the hole you use most. Browse related belts and accessories to complete your kit or match a tactical, military-surplus, or duty-style wardrobe.
