How to use / When it’s useful

Use these tubolari to replace worn insignia or to complete a Generale di Brigata service uniform. They attach to the shoulder area of shirts, sweaters and service jackets according to standard uniform practice.

Quick answer: fit the tubolari to the garment matching the correct background color (khaki for shirt/sweater, black for jacket).
In most cases: order the variant that matches your issued uniform and be prepared to provide the required verification documents at checkout or via the contact attachment area.

Care and notes

Simple care keeps the plastic tubolari looking professional and serviceable; follow the verification and delivery instructions before purchase.

- Clean with a soft damp cloth; avoid strong solvents or abrasive cleaners.
- Store flat in a cool place to prevent warping of the plastic.
- Sale is reserved to serving Army personnel — you must submit a copy of your **tesserino** or provide your barracks address during registration/checkout.
- Collectors can purchase only after submitting a prefectural license in accordance with **art. 28 TULPS**.
