How to use / When it’s useful

Quick answer: Attach the patch to the uniform’s velcro panel for identification during daily duty, training, or formal duties. The velcro backing makes it easy to remove before laundering or equipment changes.

In most cases, use it on service jackets, combat shirts, tactical vests, or other duty clothing with a compatible velcro area. Ideal for personnel who need a removable, professional rank insignia rather than a permanently sewn badge.

Care and notes

Keep the patch fastened to a velcro surface when wearing and remove it before uniform cleaning to preserve the badge and the garment.

- Store flat to avoid deforming the chevrons.
- Remove before washing the uniform; attach again after drying.
- Sale restricted to active Aeronautica Militare personnel; verification is required during registration or at checkout.
- Collectors must provide the appropriate license documentation in accordance with art. 28 TULPS if applicable.
