Product overview

The Distinctive Battaglione Alpini Tolmezzo enamel metal badge is a commemorative insignia for collectors, veterans, reenactors, and anyone interested in Italian military history or military surplus gear. Definition: this is an enamel metal badge representing the 8th Battalion Alpini Tolmezzo, intended as a collector’s item or commemorative emblem.

The badge depicts a hand gripping a rock on a sky-blue background and reproduces the battalion’s historic decorations. Size is listed as approximately 3.8 x 2–2.5 cm (see Care and notes for exact specification).

Main features

Clear design and quality materials make this badge suitable for display, mounting on jackets, or adding to a military/tactical collection.

- **Distinctive design:** Hand gripping a rock on a sky-blue field, symbolizing Alpini resilience.
- **Historic decorations shown:** two Gold Medals for Military Valour (Greece, Russia), three Silver Medals for Military Valour (Assaba, Ettangi 1913; Pal Grande, Pal Piccolo, Frekofel 1914) and one Silver Army Valour Medal (Friuli earthquake 1976).
- **Material:** enameled metal for durability and a refined appearance.
- **Collector size:** about 3.8 x 2–2.5 cm, sized to show details clearly.
- **Suitable uses:** collector display, commemorative wear, or part of military/tactical surplus collections.

How to use / When it’s useful

Quick answer: wear the badge on a jacket or hat for commemorative display, or mount it in a shadow box for a collection. It works well as a historical piece for Alpini enthusiasts and military collectors.

In most cases, collectors keep the badge safe in a display case or attach it with a secure fastener for short-term wear. It is also appropriate as a respectful gift for veterans or history-minded buyers interested in tactical or military memorabilia.

Care and notes

Simple care preserves the enamel and metal finish; handle gently to avoid scratching.

- Clean with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Store in a dry place away from prolonged moisture and direct sunlight to prevent discoloration.
- Small variations or minor surface imperfections may occur due to the enamel process.
- Availability is limited; items are produced or offered in small quantities.
