Product short description:

An embroidered badge — the Fregio Ricamato Filo Nero Alpini Truppa Norvegese Panno Kaki — combining traditional appearance with durable construction. Made for collectors and military history enthusiasts, it features black-thread embroidery on khaki cloth and adds a distinctive detail to uniforms, jackets or displays.

- **Material:** Black-thread embroidery on durable khaki cloth.
- **Design:** Authentic Alpini Truppa Norvegese emblem style with careful, artisanal stitching.
- **Use:** Suitable for uniforms, jackets, period displays or collections.
- **Condition:** Well-finished piece that preserves historical character.

Product description:

Product overview

The Fregio Ricamato Filo Nero Alpini Truppa Norvegese Panno Kaki is a machine-embroidered

black-thread badge on khaki cloth for collectors, military history enthusiasts, and uniform restorers. It represents the badge used by the Alpini Truppa Norvegese (Norwegian alpine troop) and is suited for display, restoration, or collector use.

Definition: a 6 cm x 4.5 cm embroidered unit badge showing an eagle clutching a regimental disk over a trumpet and crossed rifles. Suitable for military surplus collections, tactical kit displays, and duty or police uniform replicas.

Main features

Clear, durable construction with a historic design and easy attachment for garments and displays.

- **Design:** Eagle in a lowered flight clutching a disk with the regimental number, over a trumpet and two crossed rifles.
- **Thread:** Machine-embroidered with black thread for precise detail.
- **Base material:** Khaki cloth (panno kaki), resilient and suited to uniform use.
- **Size:** 6 cm width x 4.5 cm height — compact and easy to position.
- **Attachment:** Ready to be sewn or otherwise applied to fabric items.
- **Use cases:** Ideal for collectors of military surplus, tactical gear displays, and duty or police uniform replicas.

How to use / When it’s useful

Quick answer: Sew the badge onto caps, jackets, field shirts, or display panels for authentic presentation. The flat, machine-embroidered construction makes it simple to attach by hand or with basic sewing tools.

In most cases, collectors mount it on a display board or attach it to replica uniforms and tactical gear. It works well for restoration projects, museum exhibits, and personal collections of military surplus or duty gear.

Care and notes

Handle gently to preserve embroidery detail and keep the khaki cloth in good condition.

- Attach by sewing for the most secure fit; hand-sewing is recommended.
- Avoid aggressive washing or abrasive cleaning to protect the thread and cloth.
- Check local regulations before wearing on official uniforms or in service contexts.
- Limited quantities are available; consider ordering promptly if you need one for a project or collection.

FAQ

Q: What are the badge dimensions?

A: The badge measures 6 cm in width and 4.5 cm in height, suitable for caps, jackets, and display mounts.

Q: Is the badge easy to apply?

A: Yes. It is machine-embroidered and can be sewn onto most fabrics by hand or with a sewing machine.

Q: What material is the badge made of?

A: The badge is embroidered on panno kaki (khaki cloth) using black thread for the design elements.

Q: Is this an authentic design used by the Alpini Truppa Norvegese?

A: Yes. The badge represents the design used by the Alpini Truppa Norvegese and reflects that unit’s insignia.

Q: Can I wear this on an official uniform?

A: Use is subject to local rules and regulations. Check with relevant authorities before wearing on active or official service uniforms.

Q: Is the item in stock?

A: Stock is limited due to demand from collectors and restorers. If you need the badge for a project, consider ordering soon.

Tip: Choose the correct placement and check measurements before attaching. Browse related military surplus and tactical or duty accessories to complete your display or restoration project.
