How to use / When it’s useful

Quick answer: use the badge for display in a collection, mounted in a case, or pinned to civilian outerwear and caps for commemorative purposes. It is a decorative and symbolic item rather than operational equipment.

In most cases, collectors and enthusiasts will keep the badge as part of a uniform display, shadow box, or on a lapel for events. If you plan to wear it on a service uniform, check any applicable unit or organizational regulations first.
