How to use / When it’s useful

Quick answer: wear this ribbon on the uniform or display it on a ribbon bar to represent the Grande Ufficiale class in formal and ceremonial settings. It is also suitable for collectors and museums that require accurate reproductions.

In most cases, choose the flat format for traditional uniforms and the bombed Elite format for a more contemporary presentation. Use clamp attachments for temporary wear and screws when a secure, long-term fix is needed on display boards or formal uniforms.

Care and notes

Basic care keeps the ribbon looking correct and preserves its materials and enamel work.

- Store flat or on a proper ribbon mount to avoid creasing the silk.
- Avoid moisture and direct sunlight to protect silk sheen and enamel finish.
- Use the screw attachment for permanent mounting; clamps are better for removable use.
- Verify institutional dress rules before wearing the ribbon on active duty uniforms.
