Product short description:

The 14-slot Ribbon Holder keeps up to 14 ribbons neatly organized for crafters, hobbyists and children's rooms, combining practical storage with an attractive, understated design. Its compact, functional layout saves space while the sturdy construction supports regular use.

- **Capacity:** Stores up to 14 ribbons for quick selection and tidy display.
- **Material:** Constructed from quality materials for everyday handling and reliable performance.
- **Use:** Ideal for craft rooms, sewing stations, classrooms and home organization.
- **Design:** Compact, space-saving form that fits on shelves, worktops or inside closets.
- **Durability:** Robust build ensures long-lasting use without compromising appearance.

Product description:

Product overview

The 14-slot Ribbon Holder is a sturdy metal rack designed for organizing and displaying up to fourteen uniform ribbons. It is intended for military, police, tactical, duty, and collector use who

need a neat, accessible way to keep 37 mm ribbons in order.

Definition: a metal ribbon holder that accepts standard 37 mm ribbons and comes in two mounting options (rear clips or screw mounting). Choose the clip or screw variant using the dropdown menu.

Main features

Built for durability and neat presentation, this 14-slot ribbon holder is practical for uniformed personnel and collectors who require reliable storage and quick access.

- **Durable metal construction:** made from robust metal with a rust-resistant finish for extended use.
- **Holds 14 ribbons:** fits up to fourteen 37 mm ribbons in a compact row.
- **Two mounting options:** rear clips (morsetti) or screw mounting to fit existing ribbon formats.
- **Easy installation:** simple to mount with either clips or screws; holes are pre-cut for 37 mm ribbons.
- **Professional appearance:** clean metal design suited to duty, tactical, and display settings.

How to use / When it’s useful

Use the ribbon holder to organize ribbons on a display board, in a uniform storage area, or on a presentation wall. It keeps ribbons aligned and makes selection fast for inspections or ceremonies.

Quick answer: choose the clip variant if you prefer tool-free attachment, or the screw variant if you need a more permanent mount. In most cases, the holder is compatible with standard 37 mm ribbons you already own and installs in minutes.

Care and notes

Basic care keeps the holder looking and performing well; follow these simple maintenance steps and installation notes.

- Wipe clean with a soft, damp cloth; avoid abrasive cleaners that can damage the finish.
- Verify you have 37 mm ribbons before installation to ensure fit.
- Select the correct mounting option (clips or screws) for your application before ordering.
- Keep dry when possible to preserve the rust-resistant finish; prolonged exposure to moisture may affect any metal product over time.

FAQ

Q: What ribbon size does this holder accept?

A: It is designed for standard 37 mm ribbons. The holes and spacing match that ribbon format.

Q: Which mounting options are available?

A: Two options: rear clips (morsetti) for clip-on mounting, or screw mounting for a fixed installation. Choose from the product dropdown.

Q: Is the holder rust-resistant?

A: The holder is made from quality metal with a rust-resistant finish. Normal care and avoiding prolonged moisture will help maintain it.

Q: Is it easy to install?

A: Yes. Both clips and screws provide straightforward installation. Clips allow tool-free attachment; screws give a firmer, permanent mount.

Q: Can I buy more than one unit?

A: Yes, you may purchase multiple units. Check current stock levels as availability can be limited.

Q: Where is this product best used?

A: It works well in uniform rooms, display cases, offices, or workshops—anywhere you need tidy, accessible storage for ribbons.

Tip: Choose the mounting variant that matches your intended use (clips for removable display, screws for permanent install) and check your ribbons are 37 mm before ordering. Consider browsing related tactical and duty display accessories to complete your setup.
