How to use / When it’s useful

The patch is applied to the polo via the velcro backing; align the patch with the matching loop area on the garment and press firmly for a secure hold. It is designed for regular duty, training, and official public duties where rank needs to be shown.

Quick answer: use it on authorised duty polos with a matching velcro panel. In most cases, it is worn by Agente Scelto on standard-issue or compatible polos during shifts, ceremonies, or while operating in tactical or public-order roles.

Care and notes

Simple care preserves appearance and velcro performance; keep fasteners free of lint and avoid harsh chemicals.
