Product short description:

The Fascetta Metallo A TITOLO ONORIFICO is a metal clamp for users who want a neat, stylish way to secure cables, hoses and other items. It pairs a refined appearance with practical, reliable holding power.

- **Material:** High-quality metal construction for a secure, long-lasting hold.
- **Use:** Organize cables, tubing and similar items; suitable for workshop, home or display use.
- **Design:** Refined, unobtrusive look that fits a variety of environments and adds a touch of class.
- **Reusable:** Easy to fit, remove and reuse as a practical alternative to single-use ties.

Product description:

Product overview

The Metal Ribbon "A TITOLO ONORIFICO" is a bronzed metal ribbon bar designed for awarding honorary recognition to personnel, associations, or private individuals involved in military, police, or duty roles. It is intended for institutions and collectors who need a durable, formally engraved

recognition piece.

Definition: a small bronzed metal ribbon bar engraved "A TITOLO ONORIFICO" for formal recognition. The ribbon bar features folding side flaps for attachment and is produced pursuant to art. 4, comma 4 of DPCM 5/5/2014; ordering requires submission of the related attestation.

Main features

Key technical and practical features at a glance:

- **Material:** bronzed metal for durability and long-term display.
- **Engraving:** precise inscription "A TITOLO ONORIFICO" for formal identification.
- **Size:** 38 mm length x 7 mm height (Dim. 38 mm L x 7 mm H).
- **Attachment:** folding side flaps allow easy fixing to various supports.
- **Compliance:** produced in accordance with art. 4, comma 4 DPCM 5/5/2014.

How to use / When it’s useful

This ribbon bar is used to recognize honorary merit and to add a formal element to uniforms, displays, or presentation cases. Quick answer: attach the ribbon using the folding side flaps to a uniform strip, presentation board, or collector mount.

In most cases, organizations fit these ribbon bars to uniform ribbon mounts or award frames; private collectors use them for display and archival storage. The piece is suitable for tactical, military surplus, duty, and police recognition contexts where a formal engraved ribbon is required.

Care and notes

Basic handling and ordering notes to keep the ribbon in good condition:

- Keep dry and avoid abrasive cleaners to preserve the bronzed finish.
- Handle by the edges to avoid fingerprints on the engraving.
- Order requirement: provide a copy of the attestation when placing your order via the site Contacts function.
- Limited availability: stock may be restricted due to demand—please confirm before finalizing bulk orders.

FAQ

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 38 mm in length and 7 mm in height. These dimensions are suitable for standard ribbon mounts and display strips.

Q: What material is the ribbon made from?

A: It is made from bronzed metal designed for durability and long-term display without significant wear under normal conditions.

Q: How is the ribbon attached to a uniform or display?

A: The ribbon has folding side flaps that fold down to secure it to various supports, such as ribbon bars, presentation boards, or collector mounts.

Q: Is this product compliant with any regulation?

A: Yes, it is produced pursuant to art. 4, comma 4 of DPCM 5/5/2014, as indicated in the product description.

Q: How do I place an order?

A: To order, send a copy of the required attestation through the Contacts function on our website. Orders are processed once the documentation is received and verified.

Q: Is the ribbon always in stock?

A: Availability is limited due to demand. If you need multiple pieces or a quick delivery, check stock levels and confirm lead times before completing your purchase.

Tip: Choose the correct size and confirm the required attestation before ordering. Browse related ribbons and accessories on the site to complete presentation or display needs without delay.
