Product description:

Product overview

The Fascetta Metallo GENOVA E LA SPEZIA 2014 is a commemorative bronzed metal band for collectors, historians, and enthusiasts of tactical, military surplus, and police memorabilia. It is suited to display, collection, or as a historical keepsake reflecting the 2014 weather events

affecting Genova and La Spezia.

Definition: A small bronzed metal strip engraved with "GENOVA E LA SPEZIA 2014" that references the events noted in DPCM 13/03/2017 and features foldable side tabs for attachment.

Main features

Key details that make this fascetta a durable and display-ready collectible.

- **Material:** Bronzed metal for a classic, durable finish.
- **Engraving:** Precise inscription "GENOVA E LA SPEZIA 2014" for historical reference.
- **Size:** 38 mm long x 7 mm high — compact and visible.
- **Foldable side tabs:** Side tabs fold to adapt the fascetta to different surfaces or mounts.
- **Commemorative item:** Produced in limited quantities and intended as a collector’s piece.

How to use / When it’s useful

Use the foldable tabs to attach the fascetta to a display board, a collection case, or another compatible surface; it works well as a label or a small commemorative plaque. Keep it dry and avoid harsh chemicals to preserve the bronze finish.

Quick answer: Use it as a collectible label or display accent rather than as protective or operational gear. In most cases, collectors mount this fascetta inside a frame, on a plaque, or among related military surplus and police memorabilia for contextual display.

Care and notes

Basic care and ordering notes to help preserve the fascetta and complete your purchase.

- Store in a dry, cool place to prevent tarnishing of the bronzed finish.
- Clean gently with a soft cloth; avoid abrasive cleaners or strong chemicals.
- Not a safety or operational item — intended for display and collection only.
- Limited availability: stock is low and demand is high; orders require a copy of the attestation for processing.

FAQ

Q: What are the dimensions of the fascetta?

A: The fascetta measures 38 mm in length and 7 mm in height. It is compact and suitable for display or labeling in collections.

Q: What material is the fascetta made from?

A: The fascetta is made of bronzed metal, giving it a durable, traditional appearance suitable for long-term display.

Q: How do I order this fascetta?

A: To place an order, send a copy of the required attestation using the "Contacts" function on the site. The attestation is needed to complete the order process.

Q: Does the fascetta have foldable tabs?

A: Yes. The fascetta includes foldable side tabs that allow it to be attached to various surfaces or mounting systems for display.

Q: Is this a limited edition item?

A: Yes. The item is produced in limited quantities and is offered to collectors and enthusiasts who value its historical reference.

Q: Is this an official government-issued piece?

A: The fascetta references the 2014 events cited in DPCM 13/03/2017 but is described here as a commemorative or collectible item. It should be considered a historical token rather than official operational equipment.

Tip: Choose the correct size and variant for your display needs and browse related tactical, military surplus, and police memorabilia to create a cohesive collection. Adding matching items can improve presentation without overspending.
