Product price:

€4.50 tax included

Product codes:

Reference: Art. 3288

EAN13: 0658606582651

UPC: 658606582651

Product features:

Product short description:

The Fascetta Metallo IRAN 2003 is a robust metal clamp designed to provide a secure hold in industrial and DIY applications, suitable for repairs, installations and general fastening tasks. Ideal for professionals and DIY enthusiasts who need a durable, corrosion-resistant fastening solution.

- **Material:** High-quality metal construction with a corrosion-resistant finish for extended service life.
- **Use:** Suitable for a range of industrial and home fastening tasks where a secure grip is required.
- **Installation:** Intuitive design allows quick, straightforward fitting.
- **Durability:** Provides stable, long-lasting fastening to minimise maintenance and replacements.
