Product short description:

The Fascetta Metallo LIGURIA 2002 is a stainless steel band clamp designed for secure, long-lasting fastenings. Suitable for industrial, automotive and domestic use, it resists corrosion and features an ergonomic design for straightforward installation.

- **Material:** Stainless steel construction for corrosion resistance.
- **Use:** For industrial, automotive and household applications.
- **Design:** Ergonomic profile for easy installation and adjustment to varying surfaces.
- **Performance:** Maintains a secure hold in demanding or outdoor conditions.

Product description:

Product overview

The Fascetta Metallo LIGURIA 2002 is a small bronzed metal tag intended for collectors, museums, and anyone interested in military surplus, tactical or police memorabilia. It is suited to display, collection, or light personalization of gear where a compact historic tag is appropriate.

Definition: a bronzed metal tag engraved "LIGURIA 2002" commemorating the 2002 weather events in the provinces of Genoa, La Spezia and Savona (DPCM 07/02/2008). The tag has foldable side flaps for simple attachment or display.

Main features

Compact, durable and historically marked, this fascetta is a practical addition to a collection or display of duty and tactical items.

- **Material:** bronzed metal for long-term durability.
- **Engraving:** "LIGURIA 2002" referencing the 2002 meteorological events (DPCM 07/02/2008).
- **Foldable side flaps:** side alette (flaps) fold for easier attachment or positioning.
- **Dimensions:** 38 mm length x 7 mm height.
- **Ordering requirement:** purchase requires sending a copy of the attestation via the Contact function on our website.
- **Limited availability:** low stock due to demand and historical nature.

How to use / When it’s useful

Quick answer: use the tag as a collector’s item, a small display plaque, or a commemorative label for tactical, military surplus or police collections. It is not a structural component and is intended for visual or light attachment use.

In most cases, the foldable flaps allow the tag to be secured to thin materials or presented in a display case. Use it where a small, durable metal tag with historic inscription is appropriate — for commemorative displays, gear personalization, or archival storage.

Care and notes

Simple care will keep the bronzed finish in good condition; handle the folding flaps gently and store the item in a dry place.

- Clean with a soft, dry or slightly damp cloth; avoid abrasive cleaners or acid-based products.
- Fold flaps carefully to avoid bending beyond their intended range.
- Store in a dry environment to reduce corrosion risk.
- Ordering requires a copy of the attestation sent through the Contact function on our site.

FAQ

Q: What are the dimensions of the Fascetta Metallo LIGURIA 2002?

A: The tag measures 38 mm in length and 7 mm in height. These compact dimensions make it

easy to handle and display.

Q: What material is the fascetta made from?

A: It is made from bronzed metal, chosen for durability and an aged, resilient appearance suited to collections and tactical displays.

Q: How do I order this item?

A: To order, send a copy of the required attestation via the Contact function on our website. We can then confirm availability and the next steps.

Q: Are the side flaps really foldable?

A: Yes, the alette (side flaps) are designed to fold to help attach or position the tag. Fold them carefully to avoid over-bending.

Q: Why does the tag say "LIGURIA 2002"?

A: The engraving commemorates the 2002 meteorological events that affected the provinces of Genoa, La Spezia and Savona, as noted in the DPCM of 07/02/2008.

Q: Is the item in stock and how quickly will it ship?

A: Availability is limited due to demand. Once we receive your attestation copy, we will confirm stock and provide estimated processing and shipping times.

Tip: Choose the correct variant or size if offered and consider browsing related tactical, military surplus and police memorabilia to complete your collection. Store the tag in a dry place and handle the flaps gently to maintain its condition.
