How to use / When it’s useful

Quick answer: use the foldable side flaps to secure the band to compatible items or display mounts; it is intended as a commemorative piece rather than functional gear. In most cases, collectors mount it in displays, attach it to presentation boards, or keep it in a collection box.

This piece is useful for remembrance displays, military surplus and tactical collections, police memorabilia, or personal keepsakes. Its compact size makes it simple to store or show in a cabinet or on a badge board.
