Product description:

Product overview

The Fascetta Metallo NAVE COSTA CONCORDIA is a commemorative metal band for collectors, maritime enthusiasts, and professionals who value historical naval items. It is suitable for collectors of military surplus, tactical memorabilia, and police or duty-related accessories.

Definition: a small bronzed metal band engraved with "NAVE COSTA CONCORDIA" that commemorates the recovery activity of the Costa Concordia as established by DPCM 18/07/2016. Compact and functional, it includes foldable side flaps for added versatility.

Main features

Compact, durable, and engraved for authenticity—this item combines collector value with simple utility.

- **Material:** bronzed metal construction for durability and longevity.
- **Engraving:** precise "NAVE COSTA CONCORDIA" inscription, referencing DPCM 18/07/2016.
- **Foldable side flaps:** lateral flaps that fold for practical use or mounting.
- **Size:** 38 mm length x 7 mm height—small and easy to handle or store.
- **Collector appeal:** limited availability makes it suitable for maritime and military surplus collections.

How to use / When it’s useful

Use it as a display piece in a collection, a label on a model or diorama, or as a small commemorative token. It works well for display boards, shadow boxes, or mounted exhibits where a compact engraved band is appropriate.

Quick answer: this fascetta is primarily a collectible and commemorative item, not a load-bearing safety device.
In most cases, collectors and curators use it for display, documentation, or themed collections related to naval recovery and maritime history.

Care and notes

Simple care keeps the fascetta looking its best; avoid harsh chemicals and store it in a dry place.

- Wipe gently with a soft, dry cloth to remove dust.
- Avoid abrasive cleaners or strong solvents that could damage the finish.
- Keep in a dry, temperature-stable environment to prevent corrosion.
- Note: quantities are limited—order promptly if you need one for a collection.

FAQ

Q: What are the fascetta’s dimensions?

A: The fascetta measures 38 mm in length and 7 mm in height. It is small and easy to handle or store.

Q: What material is the item made of?

A: It is made of bronzed metal, chosen for its durability and traditional appearance.

Q: How do I order this fascetta?

A: To place an order, send a copy of the required attestation via the website’s Contact form as instructed by the seller.

Q: Is the fascetta available in large quantities?

A: No, availability is limited. The item is offered in a restricted quantity, so ordering early is recommended.

Q: What does the engraving "NAVE COSTA CONCORDIA" mean?

A: The engraving commemorates the recovery activity of the Costa Concordia, referenced by DPCM 18/07/2016, and identifies the band as related to that operation.

Q: Are the side flaps functional?

A: Yes, the lateral flaps fold; they are intended to add versatility for mounting or placement but are not designed as structural fasteners.

Tip: Choose the right piece for your collection and check availability before completing your purchase; consider browsing related maritime, tactical, or military surplus items to complete your display. If you need to order, remember to send the attestation copy through the site’s Contact form.
