Product overview

The Fascetta Metallo SAVONA 2002 is a compact bronzed metal band intended for collectors, military surplus fans, tactical and police memorabilia enthusiasts who value historical items. It commemorates the weather events affecting the province of Savona in 2002 (DPCM 24/7/2002)

and combines a collectible value with practical use.

Definition: a small bronzed metal band engraved "SAVONA 2002" with foldable side tabs for adaptable attachment. Suitable for display, collection, or light-duty attachment to gear and accessories.

Main features

Built for durability and simple attachment, this fascetta blends historical engraving with functional design.

- **Material:** bronzed metal for a durable, aged appearance.
- **Engraving:** marked "SAVONA 2002" in reference to DPCM 24/7/2002.
- **Compact size:** 38 mm length × 7 mm height.
- **Foldable side tabs:** tabs fold inward for adaptable mounting on different surfaces or objects.
- **Collector appeal:** sought after by military surplus, tactical, and police memorabilia collectors.
- **Order requirement:** purchase requires sending a copy of the related attestation via the site contact function.

How to use / When it’s useful

Quick answer: use the fascetta as a keepsake, collector item, or light-duty identification band attached to equipment, straps, or display mounts. The foldable tabs allow simple fastening to a variety of surfaces.

In most cases, it is best used for display, collection, or as a commemorative accessory rather than heavy mechanical attachment. Tactical, military surplus, or duty-oriented users often add it to gear as a historical marker or identifier; check any uniform or service regulations before attaching to official clothing.

Care and notes

Basic care keeps the bronzed finish intact and preserves the engraving.

- Wipe with a soft, dry cloth to remove dust; avoid abrasive cleaners that can damage the finish.
- Store in a dry place to slow natural patina; avoid prolonged exposure to moisture or corrosive chemicals.
- Limited availability: stock is small, so availability may change quickly.
- Ordering note: send a copy of the required attestation through the website contact function to complete your order.

FAQ

Q: What are the dimensions of the Fascetta Metallo SAVONA 2002?

A: The band measures 38 mm in length and 7 mm in height. These compact dimensions make it easy to handle and mount.

Q: What material is the fascetta made from?

A: It is produced in bronzed metal, offering durability and a classic, aged look suitable for display and collection.

Q: How do I order the Fascetta Metallo SAVONA 2002?

A: To place an order, send a copy of the required attestation using the website contact function. The seller will confirm availability and next steps.

Q: Are the side tabs foldable?

A: Yes, the fascetta has foldable side tabs designed to adapt the band to different surfaces and objects for light-duty attachment.

Q: Why is this fascetta considered collectible?

A: Its historical engraving "SAVONA 2002" referencing DPCM 24/7/2002, combined with limited supply, makes it of interest to collectors and memorabilia enthusiasts.

Q: Can I attach this fascetta to a uniform or equipment?

A: The fascetta can be used as an accessory on gear or displays, but you should check any applicable uniform or service regulations before placing it on official clothing.

Tip: Choose the right variant or size that fits your display or gear, and browse related military surplus and tactical accessories to complete your collection. Adding a matching mount or display item can enhance presentation without compromising the fascetta’s condition.
