Product short description:

The Fascetta Metallo SISMA ABRUZZO 2010 is a metal strap for construction and structural reinforcement, designed for contractors, builders and site professionals who need reliable stabilization and reinforcement solutions.

- **Material:** Manufactured from high-quality metal for consistent strength and longevity.
- **Use:** Designed for structural reinforcement and stabilizing connections in building projects.
- **Durability:** Built to resist wear and maintain performance over time, suitable for demanding conditions.
- **Installation:** Simple to fit for secure, dependable fastening on-site.

Product description:

Product overview

The Fascetta Metallo SISMA ABRUZZO 2010 is a commemorative bronzed metal tag for collectors, survivors, families, and anyone preserving the memory of the April 6, 2009 Abruzzo earthquake. It is suitable for display, wearing as a keepsake, or adding to tactical, military surplus,

or police memorabilia collections.

Definition: a bronzed metal commemorative tag engraved with "SISMA ABRUZZO 2010" and fitted with foldable side flaps for attachment.

Main features

Simple, durable design with clear engraving and compact dimensions that make it easy to wear or store.

- **Material:** bronzed metal for durability and a refined appearance.
- **Engraving:** precise inscription "SISMA ABRUZZO 2010".
- **Attachment:** foldable side flaps for practical mounting or wearing.
- **Size:** 38 mm length x 7 mm height — compact and discreet.
- **Commemorative value:** a tangible symbol of memory and solidarity.

How to use / When it’s useful

Quick answer: wear it as a small commemorative badge, keep it in a collection, or display it as a personal memento. The foldable flaps make it easy to attach to fabric or display mounts.

In most cases, people buy this for remembrance events, private collections, or to honor those affected by the Abruzzo earthquake. It also fits well with tactical or duty-related displays in military surplus or police collections.

Care and notes

Store dry and handle with care to preserve the bronzed finish and the engraved detail.

- Avoid prolonged exposure to moisture to limit tarnishing.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners.
- Available in limited quantities — purchase sooner if you need a specific piece.
- To place an order, you must provide a copy of the required attestation via the website contact function.

FAQ

Q: What are the tag dimensions?

A: The fascetta measures 38 mm in length and 7 mm in height. It is compact and designed for easy wearing or storage.

Q: What material is the tag made of?

A: It is made of bronzed metal, offering durability and a refined look while keeping the engraved text clear.

Q: How do I order this fascetta?

A: To order, send a copy of the required attestation through the site’s contact function as requested by the seller. The attestation completes the order process.

Q: What does "SISMA ABRUZZO 2010" refer to?

A: The inscription commemorates the earthquake that struck Abruzzo on April 6, 2009, and relates to the DPCM of 24/6/2010 that followed.

Q: Is the fascetta available in large quantities?

A: No, the item is listed in limited quantities. If you need one for a collection or event, it is recommended to purchase promptly.

Q: Can I wear this on a uniform?

A: The tag is suitable to wear as a personal commemorative piece, but you should check your organization’s dress and uniform regulations before attaching it to official attire.

Tip: Choose the correct variant and keep your attestation ready before ordering. Browse related commemorative and tactical items to complete your collection or display without rushing.
