Product short description:

The Fascetta Metallo VENETO 2015 is a sturdy metal clamp for professionals and DIY users who need a secure, long-lasting way to fasten and protect cables and tubes.

- **Material:** High-quality metal construction for a secure, durable hold.
- **Use:** Suitable for industrial and DIY applications to fasten, organize and protect cables and tubes.
- **Design:** Clean, functional styling that fits a variety of installation needs.
- **Fit:** Easy to install and adjust for reliable performance.
- **Model:** VENETO 2015 — blends traditional build quality with practical, updated design.

Product description:

Product overview

The Fascetta Metallo VENETO 2015 is a small bronzed metal band engraved with "VENETO 2015" for those who want a commemorative accessory. It is aimed at collectors, military surplus enthusiasts, and anyone wishing to remember the 2015 seismic events in Veneto.

Definition: a compact bronzed metal tag with foldable side flaps, engraved to mark the Veneto 2015 earthquakes (DPCM 13/03/2017). Fits with tactical, duty, or display items as a subtle memorial piece.

Main features

Simple, durable design focused on commemorative value and easy attachment.

- **Material:** bronzed metal for long-lasting appearance and resistance to wear.
- **Engraving:** clear "VENETO 2015" marking referencing the 2015 seismic events (DPCM 13/03/2017).
- **Foldable side flaps:** allow secure attachment to fabric, straps, badges or display mounts.
- **Compact size:** 38 mm length × 7 mm height — discreet but readable.
- **Commemorative value:** designed as a keepsake and historical reminder.

How to use / When it’s useful

Quick answer: attach the fascetta using the foldable side flaps to a suitable support (strap, fabric edge, or display backing). The flaps fold in to hold the piece in place without special tools in many cases.

In most cases, it is used as a commemorative tag on bags, uniform displays, shadow boxes, or personal collections. It is suitable for collectors of military surplus, tactical gear, or police memorabilia who want a discreet historical marker.

Care and notes

Basic care keeps the bronzed finish looking its best and preserves the engraving.

- Avoid abrasive cleaners; wipe gently with a soft, dry cloth.
- Keep dry and store in a low-humidity place to reduce surface tarnish.
- Limited availability: stock is restricted due to the commemorative nature.
- Ordering requirement: to complete an order, please send a copy of the required attestation via the site "Contacts" function.

FAQ

Q: What are the exact dimensions?

A: The fascetta measures 38 mm in length and 7 mm in height. Please check these dimensions against your intended mounting location before ordering.

Q: What material is the fascetta made from?

A: It is made of bronzed metal, chosen for its durability and classic appearance.

Q: How do I attach the fascetta?

A: Use the foldable side flaps to fold and secure the piece to fabric edges, straps, or display mounts. No special tools are usually required.

Q: Why is it engraved "VENETO 2015"?

A: The engraving commemorates the seismic events that affected the Veneto region in 2015 (DPCM 13/03/2017), giving the item historical and emotional significance.

Q: How do I place an order?

A: To facilitate ordering, send a copy of the required attestation via the site's "Contacts" function. Orders may be processed only after receipt of that documentation.

Q: Is this item widely available?

A: No, availability is limited due to its commemorative nature. If you need one, it is recommended to order promptly while stock remains.

Tip: Check the 38 mm × 7 mm dimensions and decide the preferred mounting location before ordering. Also consider browsing related military surplus, tactical, and police memorabilia items to complete your collection.
