Product overview

The Distintivo Metallo Oro Protezione Civile 3° Conferimento I Livello is a metal recognition badge for personnel awarded for merit in civil protection; it is intended for members, volunteers,

and officials of Protezione Civile. This badge is a small enameled metal emblem designed to be worn on uniforms or formal attire.

Definition: a 4 cm x 1.3 cm enameled metal badge featuring a tricolor pole and the golden Dipartimento Protezione Civile logo. Ideal for duty uniforms, ceremonial use, and collectors of military surplus or tactical insignia.

Main features

A refined, durable badge with formal design and secure rear clamps, suitable for uniforms and display.

- **Material:** Blue enameled metal with a golden Protezione Civile logo.
- **Design:** Central tricolor pole (green/white/red) symbolizing national unity.
- **Fastening:** Rear clamp attachments for a stable hold on fabric.
- **Size:** 4 cm width x 1.3 cm height — compact and discreet.
- **Official recognition:** Issued as a sign of merit for civil protection service.

How to use / When it’s useful

Use the badge on uniforms, jackets, or formal shirts to show official recognition of service in Protezione Civile. Quick answer: wear it on the left chest or lapel where badges are normally displayed for visibility and protocol.

The badge is useful at ceremonies, official events, and daily duty when insignia are required. In most cases, present the required proof of award when ordering so the entitlement can be verified.

Care and notes

Simple care keeps the badge presentable and preserves the enamel and gold finish.

- Store dry and avoid prolonged exposure to moisture to protect the enamel and metal finish.
- Gently clean with a soft, dry cloth; avoid abrasive cleaners or harsh chemicals.
- Check the rear clamps periodically to ensure the badge remains securely attached to fabric.
- Order requirement: provide a copy of the attestation of merit or the recipient’s name for verification via P.I.B.
