How to use / When it’s useful

Wear it threaded through belt loops and fastened at the preferred point on the buckle; the 140 cm length allows flexible placement and multiple adjustments. Quick answer: yes, it’s suitable for everyday wear, field use, and casual tactical style.

Use it with shorts, jeans, cargo trousers or work pants for a secure fit and military-inspired look. In most cases, the length provides enough material to comfortably fit different waist sizes without trimming or modification.

Care and notes

Simple care keeps the belt functional and looking good.

- Spot clean canvas with a damp cloth; allow to air dry.
- Wipe the nickel buckle dry after exposure to moisture to help prevent surface wear.
- Contains nickel in the buckle; avoid use if you have a known nickel allergy.
- Store flat or rolled gently to keep shape and stitching intact.

FAQ

Q: What are the belt dimensions?

A: The belt is 140 cm long and 4 cm wide, suitable for a broad range of waist sizes.

Q: What materials are used?

A: The belt is made of black canvas with a neutral nickel buckle, designed for durability and a

military-style appearance.

Q: Is this belt suitable for daily use?

A: Yes. The canvas construction and metal buckle make it suitable for everyday wear, casual outdoor activities, and light-duty tasks.

Q: Is this product Made in Italy?

A: Yes. The belt is designed and crafted in Italy, with attention to stitching and finish.

Q: How do I adjust the length?

A: Thread the belt through the buckle and fasten at the desired point; the 140 cm length allows personal adjustment for most sizes.

Q: Any care or allergy concerns?

A: Spot clean the canvas and dry the buckle after wet use. The buckle contains nickel, which can cause reactions in people with nickel sensitivity.

Tip: Choose the right length and style for your use—measure your waist with the clothing you'll wear most and compare to the 140 cm length. Browse related tactical and military-style belts to find the ideal match for duty, outdoor, or everyday wear.
