Product overview

This is the embroidered "Brevetto Qualifica Anfibia Bravo" patch with hook-and-loop (Velcro) backing, designed for amphibious professionals, military personnel, special units, police and tactical teams who need clear qualification identification. It is also suitable for military surplus and duty gear applications.

Definition: a 7.5 cm x 5 cm embroidered qualification patch that attaches with Velcro and can include a selectable blood group for emergency identification. Limited availability; delivered in 10 working days.

Main features

Simple, durable design focused on visibility and easy attachment.

- High-quality embroidery for clear, long-lasting detail.
- Size: 7.5 cm width x 5 cm height for balanced visibility and comfort.
- Hook-and-loop (Velcro) backing for fast on/off attachment to uniforms and vests.
- Displays the "Qualifica Anfibia Bravo" qualification.
- Optional blood group label — select your blood group from the dropdown when ordering.
- Compatible with tactical, military and police uniforms that use Velcro panels.

How to use / When it’s useful

Attach the patch by pressing the Velcro backing to a clean Velcro field on jackets, vests or uniforms. Quick answer: it is intended for clear identification of qualification and blood group during operations and emergencies.

In most cases, users wear it on outer garments for rapid recognition in amphibious or maritime environments. Choose the correct blood group option at checkout to ensure medical clarity if needed.

Care and notes

Basic care keeps the patch readable and the Velcro functional; follow these simple guidelines.

- Spot clean or hand wash gently; avoid high heat and aggressive detergents.
- Do not iron directly over the embroidered front or Velcro backing.
- Attach only to Velcro-compatible areas to avoid damage to uniforms or the patch.
- Ensure the blood group selected is accurate for emergency use.

FAQ

Q: What are the exact dimensions of the patch?

A: The patch measures 7.5 cm wide by 5 cm high. These dimensions balance visibility and

comfort on most uniforms.

Q: How is the patch attached to clothing?

A: It has a hook-and-loop (Velcro) backing for quick attachment and removal from compatible uniform panels and tactical vests.

Q: Can I add my blood group to the patch?

A: Yes. You can select the blood group option from the dropdown menu when ordering so the chosen group is embroidered on the patch.

Q: How long does delivery take?

A: Delivery is within 10 working days from order, as stated. Availability may be limited, so order early if needed for upcoming deployments.

Q: Is this patch suitable for all uniforms?

A: It fits any uniform or equipment piece that has a Velcro loop panel. Always check your unit or service regulations before attaching qualification insignia.

Q: Is this an official issued badge?

A: This product is a manufactured embroidered patch representing the Qualifica Anfibia Bravo. Confirm with your command or organization whether use or wear is permitted under local regulations.

Tip: Select the correct blood group variant from the menu and check the Velcro area on your uniform before checkout. Browse related tactical and military surplus patches to match colors and placement for a consistent duty appearance.
