Product overview

The Mimetica Combat Army Multicam ACU is a two-piece camouflage uniform (jacket and trousers) in ACU cut designed for professional and recreational tactical use, from military surplus collectors to duty and police personnel. It is the same style supplied to U.S. Army and English special units and is offered by Tutto Militare.

Definition: A durable ACU-cut camouflage set made from RIPSTOP POLYCOTTON (60% cotton, 40% polyester) for tactical, duty and outdoor use.

Main features

This combat uniform combines tear-resistant ripstop fabric with practical pockets and closures for field use.

- **RIPSTOP POLYCOTTON (60/40):** Durable, comfortable and breathable fabric blend.
- **ACU cut jacket and trousers:** Standard tactical fit used by professional units.
- **Multiple pockets:** Two chest pockets, sleeve pockets with Velcro, and large cargo pockets on trousers.
- **Velcro panels:** Chest and sleeve hook-and-loop areas for identification patches.
- **Secure closures:** Buttons with over-flap on jacket and trousers for added protection.
- **Adjustable fit:** High collar with Velcro, adjustable cuffs and ankle drawcords for a secure fit.
- **Reinforced knees:** Extra durability where movement and abrasion are highest.

How to use / When it’s useful

Quick answer: Use this set for tactical training, outdoor work, patrols, or as a durable military surplus uniform for collectors and enthusiasts. The ACU cut and functional pockets make it suitable for duty, police or field operations where mobility and storage matter.

In most cases, select the size that matches your regular uniform sizing from the menu. Layer as needed for weather and use the Velcro panels for unit or ID patches to keep identification visible during operations.

Care and notes

Care is straightforward but follow the garment label to preserve fabric and fit.

- Wash and dry according to the care label to maintain fabric properties.
- Remove heavy or sharp items from pockets before washing.
- Availability is limited; check the size menu and stock status before ordering.

FAQ

Q: What sizes are available for the Mimetica Combat Army Multicam ACU?

A: The uniform is offered in multiple sizes. Please select the appropriate size from the product size menu on the site before purchasing.

Q: Is the RIPSTOP POLYCOTTON fabric tear-resistant?

A: Yes. The ripstop construction reduces the risk of tearing and is suited for use in demanding environments.

Q: How should I wash and maintain the jacket and trousers?

A: Follow the washing and care instructions on the garment label. Regular washing and correct drying will help retain the fabric’s performance and appearance.

Q: Is this uniform suitable for professional use?

A: Yes. The ACU cut and design are used by U.S. Army and English special units, making it appropriate for many professional and tactical applications.

Q: Can I attach identification or unit patches to the jacket?

A: Yes. The jacket includes Velcro panels on the chest and sleeves specifically for attaching recognition or ID patches.

Q: What is the current availability of this product?

A: Stock is limited and demand is high. Check the product page for up-to-date availability and select your size while it is in stock.

Tip: Choose the right size from the dropdown and consider related tactical and military surplus items to complete your loadout. Review the care label before washing to preserve fit and durability.
