Product description:

Product overview

This is the V.A.M. embroidered patch with rear Velcro, designed for personnel who served in the Vigilanza dell'Aeronautica Militare and for collectors of military surplus and tactical gear. It fits

uniforms, jackets and backpacks and is intended as an identification and commemorative emblem.

Definition: a 7 cm wide by 9 cm high embroidered patch on olive-green fabric with a Velcro backing, bearing the V.A.M. abbreviation and AERONAUTICA MILITARE lettering. Keywords: tactical patch, military surplus, duty insignia.

Main features

Clear, durable embroidery and a practical Velcro backing make this patch suited for uniform use, display, or tactical-style equipment.

- **Size:** 7 cm wide x 9 cm high — suitable for sleeves, chest panels, jackets and packs.
- **Material:** Olive-green fabric base with dense embroidery for a professional look.
- **Design:** Two eagles in flight above a red embroidered lightning bolt with a white edge for visibility.
- **Markings:** V.A.M. at the top and AERONAUTICA MILITARE at the bottom.
- **Attachment:** Rear Velcro for easy application, removal and reuse without damaging fabric.
- **Durability:** High-quality stitching and colorfast threads for long-lasting wear.

How to use / When it’s useful

Quick answer: attach the patch to any compatible Velcro surface on your uniform, jacket or bag to show service in the V.A.M. or to add an authentic military surplus detail to tactical gear.

In most cases, the patch is used by former or current V.A.M. personnel as a service identifier or keepsake; it is also useful for collectors and for adding historically accurate insignia to duty or tactical clothing. Apply carefully to the loop panel to ensure secure fit and neat placement.

Care and notes

Follow simple care steps to keep the patch and garment in good condition; note regulatory and delivery restrictions where applicable.

- Remove or cover the patch before machine washing when possible, or wash garments inside out on a gentle cycle.
- Avoid ironing directly over the embroidered area and keep away from high heat to preserve threads and Velcro.
- The patch is not customizable to maintain official design and regulatory criteria.
- Delivery and sale are managed with identity checks; authorized personnel may need to provide documentation.

FAQ

Q: Who can purchase the V.A.M. patch?

A: The patch is intended for personnel who have served in the V.A.M. category of the Aeronautica Militare. Proof of service or equivalent documentation is normally required.

Q: How do I send the required documentation?

A: Documentation is submitted through the seller's contact form or as directed during checkout. Provide the requested service certificate or command details to complete the order.

Q: Can someone who never served in V.A.M. buy this patch?

A: No. The patch is reserved for those who served in the Vigilanza dell'Aeronautica Militare, and orders are subject to verification procedures.

Q: Is the patch customizable with names or badges?

A: No. The patch follows set regulatory design criteria and is not available for personalization.

Q: Can I buy the patch for a family member or colleague?

A: Yes, purchases on behalf of an authorized person are possible if you provide the necessary service documentation for that person. Delivery will follow the seller's verification rules.

Q: What are the delivery times?

A: Delivery times vary by destination and verification steps. Expect standard processing for identity checks plus shipping; delivery to a command address is often available.

Tip: Choose the correct placement and check that the receiving garment has a compatible loop panel for Velcro. Browse related tactical and military surplus patches and gear to complete your set, and confirm required documentation before ordering.
