- **Fit:** Traditional beret shape offering smart, comfortable fit for formal or casual occasions.
- **Style:** Classic, refined design that enhances authentic and elegant outfits.

Product description:

Product overview

The Spanish beret in grey-green with the 9° Col Moschin badge is a service beret for members of the 9° Reggimento d'Assalto Paracadutisti "Col Moschin" and for authorized military collectors. It is designed for duty use, ceremonial wear and collectors who hold the required permits.

Definition: a Spanish beret is a soft, round military cap worn as part of a uniform. This version pairs traditional styling with durable materials suitable for tactical, military surplus and duty use.

Main features

Practical design and construction focus on comfort, badge retention and long-term shape stability.

- **Material:** 94% wool, 6% nylon for warmth, resilience and shape retention.
- **Gros-grain edge:** reinforced border to keep the beret's form after prolonged use.
- **Rear size adjustment:** a rear strap for quick, secure sizing and a stable fit.
- **Badge-ready side:** reinforced lateral area to hold the 9° Col Moschin fregio securely.
- **Colour:** grey-green, matching Italian military style for both field and ceremonial wear.
- **Use restrictions:** sale reserved to active Army personnel or licensed collectors in line with Italian regulations.

How to use / When it's useful

Wear this beret as part of the uniform during parades, formal events and routine duty when regulations require beret use. It also suits collectors who need an authentic, service-style beret for display.

Quick answer: follow your unit's uniform rules for placement and badge orientation. In most cases, the beret is adjusted with the rear strap for a snug, comfortable fit suitable for operational or ceremonial use.

Care and notes

Basic care helps maintain appearance and fit while respecting material limits and legal purchase conditions.

- Prefer professional dry cleaning or gentle hand wash for wool items; avoid tumble drying and bleach.
- Reshape while damp and let air dry flat to preserve form and gros-grain edge.
- Sale requires proof of active military service or a prefectoral collecting license (art. 28 TULPS); documentation must be provided before shipping.
- Delivery can be directed to a barracks address to ensure secure receipt when allowed.

FAQ

Q: Who can purchase the beret with the 9° Col Moschin badge?

A: Purchase is limited to active personnel of the Italian Army and to collectors who hold the prefectoral license required under art. 28 of the TULPS.

Q: What documentation is needed to buy this beret?

A: Active military must provide a copy of their military ID or a service certificate. Collectors must submit the official prefectoral license for military items.

Q: Can civilians without a license buy this beret?

A: No. Civilians without the required collecting license are not authorized to purchase the beret with the official fregio.

Q: Is it possible to have the beret delivered to my barracks?

A: Yes. You may specify your barracks as the delivery address to ensure a secure and controlled handover, where permitted.

Q: What materials are used in the beret?

A: The beret is made of 94% wool and 6% nylon, with a reinforced gros-grain edge and a reinforced side for the badge.

Q: Can I adjust the size of the beret?

A: Yes. The beret includes a rear adjustment strap to customize the fit for comfort and stability during duty or ceremonial wear.

Tip: Choose the correct size and variant for your use—service members should follow unit uniform rules. Browse related tactical and military surplus items to match your beret with other duty equipment and accessories.
