- **Representation:** Represents the pride and dedication of the Italian special forces.
- **Use:** Designed to personalize jackets, backpacks or hats and add authentic military heritage to your gear.
- **Suitable for:** Collectors, reenactors and anyone looking to add a piece of military tradition to their kit.

Product description:

Product overview

The Patch Ricamato a Bassa Visibilità Acquisitori Obiettivi 185° RAO is an embroidered, low-visibility unit patch for authorised members of the 185° Reggimento Paracadutisti Ricognizione

Acquisitori Obiettivi (RAO) and for licensed collectors. It is intended for military personnel who need an authentic insignia that matches operational camouflage and for verified collectors with the required permits.

Definition: a high-quality, embroidered identification patch with a hook-and-loop (Velcro) backing designed to be worn on operational uniforms and tactical gear. Keywords: tactical, military, police gear.

Main features

Compact, durable and designed to blend with the Italian Army camouflage while showing the regiment’s distinctive emblem.

- **Emblem:** Distinctive iconography featuring a stylized bat, a compass star, an anchor and a parachute, with the motto "Videre Nec Videri".
- **Size:** 9.2 cm length × 6.7 cm maximum width—suitable for uniform pockets and shoulder placement.
- **Construction:** High-quality embroidery for clear details and long-lasting wear.
- **Low-visibility colors:** Olive green and black tones to reduce visual signature in the field.
- **Rear fastening:** Hook-and-loop (Velcro) backing for quick attachment and removal on uniforms, jackets and packs.

How to use / When it’s useful

This patch is made to be applied to official Italian Army camouflage uniforms, tactical jackets, backpacks and other duty equipment where unit identification is required. Quick answer: attach it to any Velcro-compatible surface on uniform pockets, sleeves or tactical loadouts.

In most cases, the patch is used during field operations, training or formal unit representation while keeping a low visual profile. It is also suitable for verified collectors who hold the necessary prefectural license.

Care and notes

Simple care will keep the patch looking sharp and functioning reliably on tactical gear.

- Spot clean with mild soap and water; avoid machine washing where possible to protect embroidery.
- Reattach Velcro surfaces regularly to prevent accumulation of debris and ensure secure fit.
- Designed for official Italian Army camouflage; colour tones are low-visibility by design.
- Purchase restrictions apply: sale limited to authorised service personnel and collectors with the required prefectural license (art. 28 TULPS).

FAQ

Q: Who can purchase the Acquisitori Obiettivi 185° RAO patch?

A: Only authorised military personnel in service with the Italian Army and collectors with a valid prefectural license (art. 28 TULPS) may purchase this patch.

Q: What documentation is required to buy the patch?

A: Active military must provide a copy of the CMD (Carta Multiservizi Difesa) or a service attestation from their command. Collectors must submit the prefettizia license copy.

Q: How do I submit the required documents?

A: Register on the Tutto Militare site, then send the requested documentation through the site's contact form as part of the verification process.

Q: How long does verification take?

A: Verification typically requires 2–3 business days after you submit the complete documentation, but times may vary depending on workload.

Q: Is the patch available in other color versions?

A: At present this item is offered only in the low-visibility olive green/black colourway designed for operational use.

Q: What if the patch is defective on arrival?

A: Defective items can be returned according to the seller's returns policy; contact customer support with photos and order details to start the return process.

Tip: Choose the correct placement and check the Velcro surface before attaching; if you are a collector, ensure your prefettizia license is current. Browse related tactical patches and accessories to complete your kit.
