Product short description:

The Basco Cyber 9° Reparto Sicurezza Cibernetica "Rombo" Esercito Italiano is a stylish, functional beret for technology and security enthusiasts. Made with quality materials, it offers comfort and durability while conveying a professional, modern look.

- **Material:** High-quality construction designed for long-lasting wear and comfort.
- **Comfort:** Soft, durable build that suits extended wear without compromising appearance.
- **Design:** Elegant, contemporary beret featuring the 9° Reparto logo for a distinctive look.
- **Use:** Ideal for everyday wear, events, collectors, or anyone who wants a refined cyber-security inspired accessory.

Product description:

Product overview

The **Basco Spagnolo del 9° Reparto Sicurezza Cibernetica "Rombo"** is a Spanish-style military beret designed for personnel and collectors interested in military surplus, tactical gear, and duty uniforms. It is intended for members of the 9° Reparto Sicurezza Cibernetica and for

enthusiasts who value authentic military accessories.

Definition: this is a wool-rich Spanish-model beret in pearl gray that combines traditional military style with visual references to the cyber domain. The pearl gray color links the item to technology while honoring historical uniform tones.

Main features

Clear, practical design with details for comfort and badge mounting—suitable for ceremonial use, uniform duty, or collector display.

- **Spanish-style design:** Classic beret shape with a clean silhouette.
- **Pearl gray color:** Symbolic shade referencing electronic components and historical uniforms.
- **Gros-grain edge:** Fabric border around the perimeter for neat finish and durability.
- **Adjustable rear drawstring:** Simple size adjustment for a secure, custom fit.
- **Reinforced side panel:** Area designed to support application of a badge or insignia comfortably.
- **Fabric blend:** Wool-rich construction (approx. 94% wool, 6% nylon) for warmth, breathability and long-term wear.

How to use / When it’s useful

Use this beret for formal ceremonies, parade duty, or as part of a service uniform; it also fits well in a military surplus collection or tactical gear display. The reinforced side makes adding a regimental or unit badge straightforward.

Quick answer: tighten the rear drawstring to achieve a snug, comfortable fit. In most cases, the beret is suitable for light outdoor use—rain and wind resistance comes from the wool-rich material but it is not fully waterproof.

Care and notes

Simple care preserves shape and appearance; follow these practical suggestions to keep the beret in serviceable condition.

- Prefer dry cleaning or spot-clean with a damp cloth; avoid machine washing or tumble drying.
- Avoid prolonged exposure to heavy rain—material is weather-resistant but not waterproof.
- When attaching a badge, use the reinforced side panel to prevent fabric strain.
- Adjust the rear drawstring gently to avoid stretching the edge.

FAQ

Q: What sizes are available?

A: The beret is offered in multiple sizes to fit different head circumferences. Check the retailer’s size guide on Tutto Militare to select the correct size.

Q: How do I adjust the fit?

A: Use the rear drawstring to tighten or loosen the beret for a secure, comfortable fit. Adjust gradually until the beret sits evenly around the head.

Q: Is the beret suitable for outdoor use?

A: Yes, the wool-rich fabric resists light rain and wind and performs well in typical outdoor conditions, but it is not fully waterproof for prolonged exposure.

Q: How should I clean the beret?

A: For best results, dry clean or gently wipe with a damp cloth. Avoid washing machines and harsh detergents to protect the fabric and shape.

Q: Can I attach a unit badge?

A: Yes—the beret includes a reinforced side panel specifically designed to support the application of a badge or insignia without causing discomfort.

Q: Who is this beret intended for?

A: It is intended for members of the **9° Reparto Sicurezza Cibernetica "Rombo"**, uniformed personnel, collectors of military surplus, and anyone interested in tactical or duty headgear.

Tip: Choose the correct size using the retailer’s sizing guide and consider related insignia, badges, or uniform accessories to complete the look—browse related items on Tutto Militare for matching pieces.
