- **Use:** Wear on uniforms or civilian clothes to show support for FRONTEX UE and its missions.
- **Appearance:** Elegant, understated and suitable for professional settings.
- **Message:** Conveys dedication, professionalism and European solidarity.

**Product description:**

## Product overview

The FRONTEX UE - Unione Europea ribbon is a service ribbon for Armed Forces personnel (Marina, Carabinieri, Esercito, Aeronautica Militare) who took part in operations under the European Border and Coast Guard Agency (FRONTEX). It recognizes operational service in border-management missions and is suitable for military, tactical and duty uniforms.

Definition: the FRONTEX ribbon is an official merit ribbon awarded to eligible personnel for

participation in FRONTEX operations. It highlights operational commitment to European border security and international cooperation.

**Main features**

Clear, regulation-friendly design and choice of mounting options make this ribbon suitable for uniform use and military surplus collections.

- Eligibility: awarded to Armed Forces personnel who meet operational criteria and receive commander approval.
- Minimum service: at least 30 days of deployment, consecutive or non-consecutive, on FRONTEX missions.
- Recognized operations: Operation TRITON (1 Nov 2014–31 Jan 2017) and Operation THEMIS (from 1 Feb 2018).
- Design: blue base color representing the European Union; two lateral tricolour bands 8 mm wide; alternating central white and blue bands 5 mm each.
- Variants: regular flat format and slightly convex "Elite" version for a refined look.
- Fixing options: available with clamps for quick fit or screws for greater stability.
- Compatible with multiple-ribbon holders (porta nastrini) for neat presentation.

**How to use / When it’s useful**

Quick answer: wear the ribbon on your uniform only after your Comandante di Corpo verifies eligibility and issues the nulla osta for use. The ribbon is intended for display on service and duty uniforms to indicate FRONTEX operational service.

In most cases, personnel must meet the 30-day requirement and must not have received other honors for the same operational period (ne bis in idem). If you served on different platforms alternately, the 30 days are counted only for periods specifically linked to FRONTEX operations.

**Care and notes**

Keep the ribbon clean and properly mounted; retain service records as proof of eligibility and follow unit rules for wear.

- Attach with the chosen fixing (clamps or screws) according to uniform regulations.
- Do not wear the ribbon without formal nulla osta from your Comandante di Corpo.
- Keep documentation of deployment dates for verification and any future audits.
- If service included alternating duties, confirm qualifying days relate solely to FRONTEX assignments.

## FAQ

**Q:** Who is eligible for the FRONTEX UE ribbon?

**A:** Armed Forces personnel (Marina, Carabinieri, Esercito, Aeronautica Militare) who participated in recognized FRONTEX operations and meet the operational criteria, including the minimum service period.

**Q:** What is the minimum service required to qualify?

**A:** The minimum is 30 days of service, which may be non-consecutive, counted only for periods related to FRONTEX operations.

**Q:** How do I get permission to wear the ribbon?

**A:** Ask your Comandante di Corpo to verify your service records. Once confirmed, the Commander issues the nulla osta authorizing wear on the uniform.

**Q:** Can I receive the FRONTEX ribbon if I already have other honors?

**A:** No. The principle of ne bis in idem prevents awarding multiple honors for the same operational period. Check your service dates and existing awards before applying.

**Q:** What mounting and style options are available?

**A:** You can choose a regular flat format or a slightly convex "Elite" variant, and select clamps for quick fitting or screws for a firmer attachment.

**Q:** Where can I buy the FRONTEX UE ribbon?

**A:** The ribbon is offered through military supply retailers such as Tutto Militare. Confirm the variant and fixing option that match your uniform regulations before ordering.

**Tip:** Choose the ribbon variant and fixing method that match your uniform regulations and personal presentation. Also check porta nastrini options to present multiple ribbons neatly while maintaining correct placement and appearance.
