How to use / When it’s useful

Quick answer: attach the alamaro to the polo collar using the rear velcro for a secure fit; it is designed for easy fitting and removal during duty changes. In most cases, they are worn on the summer service polo to show corps affiliation and rank details.

Use them whenever a polo uniform is required—on patrol, at duty stations, or during less formal ceremonies. Purchase is restricted to serving military personnel and requires identity and service verification through Tutto Militare.
