Product overview

The Long Air Navigation Bronze 10 Years ribbon is a service ribbon for personnel who have completed ten years of long air navigation; it is suited to military, tactical, and duty uniforms. Definition: a regulation-format blue ribbon with a central bronze eagle denoting 10 years of long air navigation service.

This ribbon is aimed at service members and collectors who need official-looking recognition for decade-long navigation duty. It is available in standard formats and an Elite slightly domed finish

to suit display and uniform requirements.

Main features

Key features at a glance:

- **Regulation sizes:** available in 37 mm and 20 mm widths.
- **Distinctive design:** blue ribbon with a central bronze eagle representing ten years of service.
- **Elite finish:** slightly domed variant for enhanced durability and appearance.
- **Mounting options:** can be supplied on a ribbon bar with rear clamp or screw fittings, selectable at checkout.
- **Multi-slot display:** can be mounted on two-place or multi-place metal ribbon bars for orderly presentation.

How to use / When it’s useful

Quick answer: wear the ribbon on the service uniform where long-navigation or similar service awards are displayed. It is intended as a formal recognition piece for ten years of service in air navigation roles.

In most cases, the ribbon is used on duty and dress uniforms, display boards, or mounted with other ribbons on multi-place bars. It works well in military surplus collections and for police, tactical, or duty uniform presentation when applicable.

Care and notes

Keeping the ribbon in good condition is simple when you follow basic care and uniform rules.

- Store flat or on its ribbon bar to avoid bending or creasing.
- Clean gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Choose the correct width (37 mm or 20 mm) for your uniform regulations before ordering.
- Check service dress rules to confirm proper placement and authorized use.

FAQ

Q: What sizes are available for this ribbon?

A: The ribbon is offered in two regulation sizes: 37 mm and 20 mm. Select the size that matches your uniform or ribbon bar requirements.

Q: Can I have the ribbon mounted on a ribbon bar?

A: Yes. You can order it with a ribbon bar and choose rear clamp or screw attachments at

checkout, depending on your preferred mounting method.

Q: Is the Elite finish different from the standard version?

A: The Elite variant is slightly domed for improved durability and a refined appearance. It is designed to resist wear better than a flat finish.

Q: Can multiple ribbons be mounted together?

A: Yes. This ribbon can be placed on two-place or multi-place metal ribbon bars to group several ribbons neatly on a single base.

Q: Is this ribbon suitable for all uniforms?

A: The ribbon’s design and sizes follow regulation formats, but always verify your organization’s uniform rules before wearing it on duty apparel.

Q: How do I know the product quality is reliable?

A: The ribbon is offered in a high-quality standard and an Elite variant; both are made for durability and regular display use. Review the finish option that best fits your needs.

Tip: Choose the correct width (37 mm or 20 mm) and preferred mounting option before adding to cart; consider browsing other ribbon bars and related military surplus items to complete your display.
