Product overview

The Grado Velcro in Plastica da Aviere Scelto is a Velcro-backed plastic rank badge for members

of the Aeronautica Militare who earned the title of Aviere Scelto after passing the VFP4 competition. It is intended for duty uniforms, collectors verified by law, and anyone needing an official-looking, durable identification badge.

Definition: a Velcro-mounted plastic rank badge, 5 cm wide and 5.5 cm long, designed to represent the Aviere Scelto rank. This badge suits tactical, military surplus and duty use while remaining relevant for police or collector contexts where permitted.

Main features

Built for durability and clear identification, this badge combines a traditional design with weather-resistant materials for everyday wear on uniforms and equipment.

- **Design:** square blue background with red gallone and galloncino details.
- **Materials:** high-quality plastic body with durable inks and varnishes for long-lasting color.
- **Attachment:** certified Velcro backing for secure, easy on/off placement.
- **Dimensions:** Width 5 cm, Length 5.5 cm — sized to fit standard uniform placement.
- **Finish:** injection-molded precision with manual finishing on key details.

How to use / When it’s useful

Quick answer: attach the badge to Velcro-compatible uniform panels or backing strips; ensure surface is clean and secure before use. The badge indicates the holder has the Aviere Scelto qualification obtained via the VFP4 competition.

In most cases, purchase and use are limited to authorized military personnel who can provide service documentation; collectors may buy only after submitting the proper prefectoral license (ex art. 28 TULPS) where required. Use the badge for duty uniforms, ceremonial representation, or as a verified collectible when permitted.

Care and notes

Simple care preserves appearance and attachment performance; follow these practical notes for everyday use and storage.

- Clean gently with a damp cloth; avoid solvents that may affect inks or varnish.
- Store flat in a cool, dry place to protect colors and Velcro backing.
- Ensure Velcro mounting surfaces are compatible and free of debris before attaching.
- Purchase requires document verification (service card or attestation); collectors must provide the prefectoral license where applicable.

FAQ

Q: What documents are required to buy this badge?

A: You must provide a copy of your service card or an attestation of service. Collectors also need the prefectoral license (ex art. 28 TULPS) when required by law.

Q: How do I register to purchase?

A: Register on the seller’s site account and upload the required documents via the contact form. The account is validated by staff before purchase is enabled.

Q: What is the difference between the 6th-month recognition and Aviere Scelto?

A: The 6th-month recognition is a service milestone; the Aviere Scelto title is awarded only to those who won the VFP4 competition, reflecting higher qualification and selection.

Q: Are the materials durable for regular duty use?

A: Yes. The badge is made from selected high-quality plastic with weather-resistant inks and varnishes designed to withstand normal operational wear.

Q: How long does document verification take?

A: Verification times vary but staff aim to check submissions promptly and will notify you by email once validation is complete and purchase is enabled.

Q: Is this badge suitable for collectors?

A: It is suitable for collectors only if they supply the required prefectoral license and meet the verification steps; authenticated pieces retain higher collectible value.
