Product overview

The Patch D.V.I. Polizia Italia is an official identification badge for personnel assigned to Disaster Victim Identification (DVI) within the Polizia di Stato. It is intended for authorized police personnel and licensed collectors who can provide the required documentation.

Definition: This is an embroidered, Velcro-backed patch that identifies members of the D.V.I. unit during operational duties, training, or authorized display. Ideal for tactical uniforms, police duty gear, and verified military surplus collections.

Main features

Crafted with quality materials and clear institutional design to mark DVI personnel. Key details include:

- **Shape:** Scudo sannitico (traditional shield shape).
- **Background:** Crimson, the distinctive color of the Polizia di Stato.
- **Central embroidery:** Black eagle with wings spread, emblem of authority and vigilance.
- **Text:** "D.V.I. Polizia Italia" embroidered in white and "Disaster Victim Identification" on the upper edge.
- **Tricolor flag:** Small Italian flag indicating official affiliation.
- **Rear:** Velcro backing for quick attachment to compatible uniforms and tactical panels.
- **Size:** 7 cm height x 6 cm width (with Velcro backing); authenticity marked by an official hologram.

How to use / When it’s useful

Attach the patch to uniforms or operational vests equipped with Velcro panels to identify DVI team members during disaster response, mass-casualty incidents, and coordination with other agencies. It also serves authorized collectors as a documented piece for certified collections.

Quick answer: Use the Velcro rear to mount the patch on compatible duty gear or storage display panels. In most cases, purchase and shipment require verification of service ID or an authorized shipping address (Questura) and, for collectors, a licenza prefettizia ex art. 28 TULPS.

Care and notes

Basic care maintains the patch's appearance and embroidery. Follow these simple guidelines:

- Surface clean with a damp cloth; avoid abrasive solvents or bleach.
- Do not iron directly over the embroidered area; heat can damage thread and hologram.
- Store flat or on a display panel to prevent creasing of the Velcro backing.
- Purchase restrictions apply: sale limited to Polizia di Stato personnel, authorized collectors with the required licenza, or shipping to the indicated Questura address.
