Product short description:

The Porta Badge Militare Vegetato ID Pouch with Velcro is a compact badge holder for military, police and security personnel who need fast, visible identification in operational settings. Made from 100% cotton RipStop, it features a transparent ID window and secure Velcro mounting for vegetato camouflage uniforms.

- **Material:** 100% cotton RipStop with a clear ID window for quick identification.
- **Size:** External dimensions 12.5 x 12.5 cm; internal space fits documents up to 10.7 x 8 cm.
- **Attachment:** Dual Velcro system (front hook and rear textured panel) for secure fixing to vegetato camouflage.
- **Use:** Lightweight, functional design suitable for military, law enforcement and security personnel for professional tactical use.
- **Availability:** Sold through Tutto Militare.

Product description:

Product overview

The Porta Badge Militare ID Pouch with Velcro is a chest-mounted ID holder designed for military personnel, police, security staff and other duty operators who need immediate identification. It provides visible, secure document display without removing the badge from the pouch.

Definition: a durable 100% cotton RipStop ID pouch with a transparent window and dual velcro mounting for quick, reliable identification in tactical and military surplus applications.

Main features

Key features and materials at a glance.

- Construction: 100% cotton RipStop fabric for improved tear resistance in field use.
- External dimensions: 12.5 cm x 12.5 cm.
- Internal usable area: 10.7 cm x 8 cm — fits standard badges, ID cards and access permits.
- Transparent window for immediate reading without removing the document.
- Front hook velcro for attaching name, rank or identification patches.
- Rear loop velcro for direct mounting on uniforms, tactical vests or other loop-compatible surfaces.
- Compact, lightweight design compatible with tactical and duty gear.

How to use / When it’s useful

Use the rear loop velcro to attach the pouch directly to uniforms, jackets or vests that have matching loop panels. The front hook velcro accepts identification patches or badges for quick visual ID during patrols, checkpoints or joint operations.

Quick answer: attach to loop-compatible clothing or press the rear velcro onto a loop panel on your vest. In most cases, show the badge through the clear window for fast checks without removing the card, speeding up identification in dynamic environments like patrols, checkpoints or events.

Care and notes

Simple care preserves performance and visibility in the field.

- Hand wash in cold or lukewarm water (max 30°C).
- Do not bleach; avoid tumble drying.
- Dry flat and store in a dry place away from direct heat or prolonged UV exposure.
- Avoid sharp abrasives on the transparent window to maintain readability.

FAQ

Q: Is the pouch compatible with all camouflage patterns?

A: It is designed to adhere to standard vegetato (EI) camouflage and fits other fabrics that accept loop velcro. Fit may vary on non-standard materials.

Q: Can I wash the pouch?

A: Yes. Hand wash in cold or lukewarm water, do not use bleach and avoid tumble drying to preserve fabric and velcro performance.

Q: Can I insert a badge without folding it?

A: Yes. The internal usable area measures 10.7 x 8 cm and accommodates standard ID cards and badges without folding.

Q: Will the transparent window wear out quickly?

A: The window is made from abrasion-resistant plastic designed for outdoor use; avoid sharp abrasives and prolonged UV exposure to extend its life.

Q: Can civilians or private security use this pouch?

A: Yes. It is suitable for private security, fire services, civil protection volunteers and other non-military operators who need visible ID.

Q: Can I attach custom patches or rank insignia?

A: Yes. The front hook velcro accepts patches, name tapes and insignia for easy customization and quick visual identification.

Tip: Choose the pouch variant that matches your uniform panel and check internal dimensions against your badge before ordering; consider browsing compatible velcro-mounted accessories in tactical and military surplus categories to complete your kit.
