The badge is a professional, military-duty style emblem suitable for uniform use, replacement, or authorized collection within the military surplus and tactical gear market. Sales are restricted and require verification or specific authorization before purchase.

- Roman numeral "I" centered above the letters to indicate first year of the course.
- Precision-made to fit the rigid epaulettes (controspalline) of standard uniforms.
- Durable, anti-oxidant metal construction with professional polishing.
- Satin finish with a bright contrast for clear visibility on the uniform.
- Secure double rear screw fastening for long-lasting attachment.

How to use / When it’s useful

Attach the badge to the rigid epaulette using the included double-screw fastening; installation and removal are designed to avoid damage to the controspallina. Quick answer: wear it on the uniform epaulette to show First-Year Allievo Maresciallo rank during training and official duty.

Use this insignia when replacing worn rank badges, preparing uniforms for parade or duty, or completing official equipment for trainees. In most cases, purchase requires verification of military status or an authorized permit for collectors.
