Product features:

Product short description:

Plastic epaulettes for the Tuta OP Ufficiale Carabinieri, produced to regulatory-style specifications. Suited for on-duty personnel, authorized reenactors and collectors who need authentic shoulder insignia for public-order operational uniforms.

- **Material:** Silver rectangular braid with fringe and five-pointed star on red plasticized cloth backing.
- **Attachment:** Rear Velcro for quick, secure attachment to the uniform.
- **Use:** Designed for OP (order public) operational suits and related uniform applications.
- **Quality:** Durable construction with careful detailing; suitable for service use, display or authorized reenactment.
