Product overview

The **Pantaloni Operativi della Polizia di Stato** are duty trousers designed for active Polizia di Stato officers and authorized collectors. They are a durable, professional part of the institutional

uniform for patrols, control duties and dynamic field work.

Definition: these are operational police trousers made for extended wear, mobility and a regulated uniform appearance. The trousers combine breathable cotton, quick-drying polyester and a next-generation elastic multi-ester for comfort and fit.

Main features

Built for patrol and operational use, the trousers balance durability, ergonomics and the formal look required by the force.

- **Fabric blend:** 40% cotton, 30% polyester, 30% elasto multi estere (elastic multi-ester) for breathability, strength and stretch.
- **Elastic fit:** stretch fabric conforms to the body for mobility without bagging.
- **Colour and trim:** regulated grey-blue with crimson piping as institutional recognition.
- **Pockets:** two angled front pockets and two rear pockets with flaps for secure storage.
- **Reinforced details:** strengthened seams in high-stress areas and wide, reinforced belt loops for duty belts and holsters.
- **Hem:** structured 2.5 cm hem designed to sit correctly over service boots.

How to use / When it’s useful

Quick answer: ideal for on-duty patrol, traffic and territory control, vehicle-based shifts and other active policing tasks where comfort and a neat uniform are essential. Use them as standard operational trousers within the uniform set.

In most cases, wear with your standard duty belt and service footwear; the reinforced loops and structured hem support common police accessories and boots. Purchasing and use follow institutional rules—orders are processed after verification of service or collector licensing.

Care and notes

Basic care preserves fit and the elastic properties while keeping the institutional appearance neat.

- Wash according to the garment label; prefer gentle cycles and avoid excessive heat to protect the elastic fibers.
- Avoid bleach and aggressive solvents that can damage fabric and piping.
- Store folded or on a hanger to keep the hem and piping aligned over time.
- Purchase notice: sale reserved to active Polizia di Stato personnel and to collectors with a prefectoral license (licenza ex art. 28 TULPS); documentation is required for order approval.
