- **Design:** Red cross on white field, framed by laurel fronds and crossed rods.
- **Use:** For uniform wear where permitted or as a collector’s piece.
- **Availability:** Sold via Tutto Militare; purchase subject to verification of entitlement.

Product description:

Product overview

The Enamelled Metal Pharmacist Badge for the Esercito Italiano is the official insignia worn by military pharmacists in the Corpo Sanitario; it is intended for serving or former military pharmacists and for authorised collectors. Definition: a small enamelled metal badge that identifies membership of the Italian Army medical corps and the pharmacist specialty.

The badge features a white enamel disc with a red cross, framed by gold laurel branches and crossed staffs, symbolising medical service, scientific rigour and professional authority. Ideal for use on uniforms, jackets, caps or display in a collector’s case; relevant to military, tactical and collector audiences.

Main features

Key technical details at a glance.

- **Material:** gold-coloured metal with enamel.
- **Main colours:** polished gold, white and red.
- **Manufacture:** raised-print detail with fired enamel.
- **Finish:** glossy, wear-resistant surface.
- **Dimensions:** width 24 mm, height 28 mm.
- **Attachment:** pin or clutch fastener (varies by version).
- **Packaging:** each piece supplied in a protective sleeve.

How to use / When it’s useful

Quick answer: wear it on service, parade or duty uniforms, or include it in a display for a military collection. In most cases, placement follows the uniform regulations of the Esercito Italiano and depends on the garment (jacket, smock, cap or lab coat).

The badge is useful whenever official identification of the pharmacist role is required or when completing a set of military insignia for display. For collectors, purchase requires the appropriate licence and verification before dispatch.

Care and notes

Simple care keeps the badge looking its best and ensures long serviceable life; follow the notes below regarding sale restrictions and verification.

- Do not use abrasive cleaners; wipe gently with a soft, dry cloth.
- Store in the supplied protective sleeve to avoid scratches and moisture.
- Check the fastening before wear to avoid loss during activity.
- Sale is reserved: available only to military pharmacists (active or retired) and to collectors with a prefectoral licence (ex art. 28 TULPS).
- Purchase requires document verification; allow around 1–2 business days for account approval.

FAQ

Q: Who can buy this badge?

A: The badge is reserved for military pharmacists in service or retired and for authorised collectors holding the prefectoral licence required by ex art. 28 TULPS.

Q: Are documents required to purchase?

A: Yes. Military buyers must provide a military ID or equivalent certification. Collectors must provide a copy of the prefectoral licence (ex art. 28 TULPS).

Q: Is this the official model used by the Esercito Italiano?

A: The badge reproduces the authorised model for pharmacist personnel and is supplied with checks to ensure quality and authenticity.

Q: Can the badge be delivered to a barracks address?

A: Yes. Delivery to a specified base or barracks address is possible when indicated during registration and after verification of eligibility.

Q: How long does verification take?

A: Verification is typically completed within 1–2 business days, after which you will receive confirmation by email and be enabled to complete the purchase.

Q: Can I order more than one badge?

A: Multiple items can be ordered if you are authorised; contact customer service if you need to purchase several pieces or require a specific attachment type.

Tip: Choose the badge variant with the preferred attachment (pin or clutch) and check your eligibility documents before registering; browse related insignia and display accessories to complete a professional uniform set or collector’s display.
