Product short description:

Fregio Dorato per Cappello Alpino dell'Artiglieria da Montagna Md. EXTRA is a non-regulation gold emblem for the Alpine Artillery hat, made for officers, collectors and admirers of Alpine tradition. It features gold bullion embroidery on grey-green cloth and shows a flying eagle clutching a regimental-number disc above crossed bugle and mortars.

- **Material:** Gold bullion embroidery (canutiglia) on grey-green cloth.
- **Design:** Detailed eagle in flight with regimental-number disc, layered over crossed bugle and mortars; more defined than the standard model.
- **Use:** Intended for Alpine Artillery hats; suitable for officers, collectors and tradition enthusiasts.
- **Availability:** Non-regulation (fuori ordinanza). Available now from **Tutto Militare** with secure purchase and fast shipping.
