Product overview

The Metal Civil Pilot Badge with Stylized Eagle is a high-quality metal insignia designed for civilian pilots who want to display their training and professional status on uniforms, jackets, or shirts. It suits pilots, flight crew, and collectors of aviation memorabilia.

Definition: a gold-finish metal pilot badge measuring 7.2 cm by 2.2 cm, featuring a modern stylized eagle and a secure rear pin. This product is also relevant for tactical, military surplus, and duty apparel collectors or sellers.

Main features

Durable construction and precise detailing make this badge suitable for regular wear on standard civilian pilot uniforms and ceremonial attire.

- **Material:** gold-colored metal for wear resistance and long-lasting shine.
- **Finish:** glossy surface that retains brightness with normal use.
- **Craftsmanship:** precision engraving and sharp details.
- **Design:** stylized eagle emblem with a modern look, distinct from military versions.
- **Size:** length 7.2 cm; height 2.2 cm.
- **Attachment:** rear pin made of stainless steel for a secure, rust-resistant hold.
- **Use:** suitable for civilian pilot uniforms, jackets, shirts, and display collections.

How to use / When it’s useful

Quick answer: pin the badge to the uniform or garment where insignia are normally placed; the stainless steel pin provides a stable and easy fastening. The badge is intended for civilian pilot uniforms, formal or ceremonial wear, and collectors.

In most cases, the badge is used on the left chest area of pilot jackets or shirts, or on a display board for collectors. It works well for everyday duty wear and formal events where a polished, professional insignia is required.

Care and notes

Maintain the badge’s appearance by keeping it clean and stored safely when not in use.

- **Cleaning:** wipe with a soft cloth and use metal-safe cleaners if needed.
- **Storage:** keep in a protective case to prevent scratches and reduce oxidation.
- **Avoid:** prolonged contact with chemicals or abrasive materials that can dull the finish.
