Product features:

Product short description:

The Tubolari Guardiamarina Capitaneria di Porto are tubular rank insignia for the Italian Coast Guard's midshipmen, made for collectors and uniform wearers to denote service and professional recognition.

- **Material:** Crafted on blue cordellino cloth with a gold galloon and a giro di bitta stitched on a distinctive grey border.
- **Design:** Traditional tubular style matching Capitaneria di Porto uniforms.
- **Use:** Suitable for shirt and sweater wear to add an authentic, professional touch to a uniform.
- **Purchase:** Available under our reserved sales procedures—follow store instructions to complete the purchase.
