How to use / When it’s useful

Quick answer: wear the ribbon on the left chest above the pocket, aligned with other ribbons, to display official municipal recognition during ceremonies, parades or formal events. In most cases, choose clamps for shirts and operational uniforms and screws for ceremony tunics or rigid medal boards.

The ribbon is appropriate for municipal ceremonies, institutional meetings, commemorations, award presentations and public repre-sentation of the Polizia Locale. It works well for both everyday duty display and formal dress, and it also suits collectors assembling authentic municipal ribbon sets.
