How to use / When it's useful

Quick answer: Wear this ribbon on the service or ceremonial uniform to acknowledge a 35-year honorable command career, or add it to a collection of official ribbons. Use the screw-mounted variant for firm attachment on stiff fabrics and the clip version for easy removal on regular uniforms.

In most cases, the ribbon is used on the left breast above other decorations or fitted into a metal ribbon bar to match existing awards. It is suitable for official ceremonies, formal duty, retirement presentations, and uniformed displays.

Care and notes

Keep the ribbon clean and mounted correctly to preserve its appearance and prevent damage to uniforms. Choose the fixing type that best fits your fabric and use (clip for lighter use, screw for permanent mounting).

- Store flat to avoid creasing or deforming the ribbon.
- Use the screw option with care on delicate fabrics to avoid permanent holes.
- Variants are selectable when ordering to match existing ribbons or display bars.
