**Product price:**

## €7.50 tax included

**Product codes:**

Reference: Art. 3579
EAN13: -
UPC: -

**Product features:**

**Product short description:**

Distinctive insignia of the Pharmacists of the Esercito Italiano, the Fregio Basco Farmacista is a silvered, browned metal beret badge showing two crossed caducei beneath a turreted crown with a white enamel disc and central red cross. Intended for daily uniform wear on the beret, it is reserved for serving personnel.

- **Material:** Silvered, browned metal with a white enamel disc and central red cross.
- **Design:** Two crossed caducei under a turreted crown — emblem of military pharmacy service.
- **Use:** For beret wear as part of the daily uniform; intended for personnel in service.
- **Craftsmanship:** Carefully made for durability and authentic appearance; available on Tutto Militare with a secure, traceable purchase process.
