Product short description:

Tubolarino Sergente Maggiore Aiutante Aeronautica Militare is a tubular rank patch embroidered on a vegetated green background to match the "Soldato Futuro" camouflage. It marks the most senior sergeant-level non-commissioned officer.

- **Material:** Durable fabric for regular uniform use.
- **Design:** Large gallone, two smaller galloncini with black fillets, low-visibility star and mottled base bar.
- **Use:** Indicates rank for senior sergeant NCOs; fits Aeronautica Militare uniforms.
- **Availability:** Only for active personnel or authorized collectors; purchase via Tutto Militare with reserved procedure and assistance.
