- **Compatibility:** Compatible with Vega Holster (VH) accessories.
- **Sizes:** Available in all regulation sizes; reserved for service personnel.
- **Use:** Designed as part of the operational uniform for daily service duty.

Product description:

Product overview

The Vega Holster Polizia di Stato Mod. 2PS05 is a professional duty belt made for active Polizia

di Stato personnel. It is a reinforced blue Cordura belt with a regulation 5 cm width and a polymer box buckle bearing the golden araldic Polizia di Stato logo.

Definition: a tactical/duty belt designed for operational police use and for pairing with Vega Holster VH line accessories. Sales are restricted to active Polizia di Stato staff and, for collectors, to those holding the required TULPS license.

Main features

Compact list of the belt's main technical points and compatibility for quick review.

- **Model:** Vega Holster 2PS05
- **Material:** Blue technical Cordura
- **Width:** 5 cm (regulation size)
- **Buckle:** Black technical polymer box buckle with golden araldic Polizia di Stato logo
- **Compatibility:** Designed to work with Vega Holster VH accessories (holsters, magazine pouches, spray holders)
- **Sizes:** S–XXL (waist 76–139 cm)

How to use / When it's useful

The belt is built for daily uniform and extended operational use, offering a rigid, non-deforming structure that supports holsters, magazine pouches and other duty accessories. It adjusts quickly and is intended to remain stable during active duty.

Quick answer: Use this belt as your primary duty/tactical belt when you need a regulation-width, durable mount for duty gear. In most cases, pair it with Vega Holster VH line accessories to configure loadout for patrol, shift work, or prolonged operations.

Care and notes

Basic care keeps the Cordura and buckle working reliably and preserves the official emblem. Follow these simple notes and purchase rules.

- Wipe clean with a damp cloth; avoid aggressive detergents and direct heat.
- Do not machine-wash to preserve structure and logo plating.
- Sale reserved to active Polizia di Stato personnel; collectors must present a prefettizia license (ex art. 28 TULPS).
- Choose the correct size to ensure comfort and proper accessory alignment during duty.

FAQ

Q: Is this belt regulation for Polizia di Stato use?

A: Yes. The belt is made to the regulation 5 cm width and carries the araldic Polizia di Stato emblem for institutional use.

Q: What sizes are available?

A: Sizes run from S to XXL. Waist coverage spans approximately 76 cm up to 139 cm—select the size that best matches your waist measurement.

Q: How does the belt fasten?

A: It closes with a black technical polymer box buckle. The buckle is designed for secure, quick fastening suitable for duty routines.

Q: Can I use my existing Vega Holster accessories with this belt?

A: Yes. The belt is compatible with the Vega Holster VH accessory line, including holsters, magazine pouches and spray holders.

Q: Who is allowed to buy this belt?

A: Sale is strictly reserved to active Polizia di Stato personnel. Collectors may buy only if they present the required prefettizia license (ex art. 28 TULPS).

Q: Is the logo on the buckle official?

A: The golden araldic emblem is the official Polizia di Stato logo applied to the buckle, indicating institutional specification for use in service.

Tip: Measure your waist and choose the correct size (S–XXL) before checkout; consider pairing the belt with matching Vega Holster VH accessories for a complete duty setup. Browse related duty belts and holsters to configure your full loadout.
