Product short description:

The Nastrino Anzianità Servizio 25 Anni Truppa is a service ribbon that marks 25 years of troop service. Suitable for military personnel, unit leaders, and families, it is ideal for official ceremonies or as a commemorative gift.

- **Material:** Made from high-quality materials with careful finishing and vivid colors.
- **Use:** Designed for wear on uniforms at formal events, for display, or kept as a keepsake.
- **Design:** Elegant, respectful appearance with refined details that signify dedication and experience.
- **Recognition:** A tangible acknowledgment of a quarter century of service and commitment.

Product description:

Product overview

This 25-year service ribbon for Truppa of the Forze Armate is a formal insignia that recognizes 25 years of continuous military service. It is intended for service members, veterans, unit administrators, and collectors who need an accurate and durable representation of this milestone.

Definition: a service ribbon bearing a five-point silver star on a green–white–green ribbon, issued as the 25 years seniority award for Truppa. Suitable for tactical, military surplus, duty, and police

displays or uniform mounting.

Main features

Built to match regulatory formats and designed for long-term wear, this ribbon is available in two standard widths and multiple attachment options.

- **Distinctive design:** Five-point silver star centered on a green–white–green ribbon.
- **Durable materials:** Made to resist normal wear and retain appearance over time.
- **Standard sizes:** Available in 37 mm and 20 mm formats.
- **Flat and Elite versions:** Choose the standard flat finish or the slightly domed “Elite” variant for a different profile.
- **Attachment options:** Can be ordered with a ribbon bar holder fitted with a clamp or rear screws (selectable at checkout).
- **Mounting ready:** Compatible with multi-slot ribbon bars and common display boards.

How to use / When it’s useful

Quick answer: wear it on the uniform ribbon bar or mount it on a display board to show 25 years of faithful service. Use the 37 mm size for standard full-size ribbon bars and 20 mm for compact or miniature arrangements.

In most cases, select the attachment type that matches your current ribbon bar system: choose the clamp for removable mounting or rear screws for a permanent fit. This ribbon is useful for ceremonies, presentations, uniform inspections, and personal collections.

Care and notes

Proper handling will keep the ribbon looking its best; choose the correct size and attachment before purchase and avoid harsh cleaning agents.

- Store dry and avoid prolonged exposure to sunlight to prevent fading.
- Clean gently with a soft cloth; do not soak or machine wash.
- Confirm the 37 mm or 20 mm size and the desired holder type (clamp or screws) at checkout.
- Limited stock is common; order the correct variant to avoid delays.

FAQ

Q: What sizes are available?

A: The ribbon is available in the standard 37 mm and the compact 20 mm formats. Choose according to your ribbon bar or display layout.

Q: Can I buy it with a holder or mounting hardware?

A: Yes. You can select a ribbon bar holder with a clamp or rear screws when ordering. Pick the option that matches your existing system.

Q: What is the difference between the flat and Elite versions?

A: The flat version has a standard profile; the Elite variant is slightly domed for a more pronounced look. Both carry the same insignia and sizes.

Q: Is the ribbon durable enough for regular uniform wear?

A: Yes. It is made from materials chosen for durability and long-term appearance under normal use and handling.

Q: Can this ribbon be mounted with other ribbons on a multi-slot bar?

A: Yes. The ribbon fits standard multi-slot ribbon bars. If you need multiple positions, ensure you select the correct holder and spacing.

Q: How do I choose the correct attachment during purchase?

A: Quick check: match the holder type to your current ribbon bar—clamp for removable mounting, screws for fixed mounting. Use the dropdown menu to select the desired option before adding to cart.

Tip: Choose the correct size (37 mm or 20 mm) and attachment (clamp or screws) before checkout. Browse related ribbon holders and multi-slot bars to complete the mounting setup for display or uniform use.
