Product short description:

The Tasca Militare Porta Utility MA8 Condor in vegetato color is a compact utility pouch for tactical missions and outdoor use, suited to military, law enforcement and outdoor enthusiasts. Built for durability and practical access to essentials, it fits modular kit setups.

- **Material:** 1000-denier nylon for high abrasion resistance.
- **Design:** Rectangular shape with dual-zip top for quick access.
- **Dimensions:** 11.4 x 21.6 x 8.9 cm — compact but spacious for field tools and accessories.
- **Compatibility:** M.O.L.L.E. attachment system for universal mounting.
- **Brand:** Condor U.S.A.; available from Tutto Militare.

Product description:

Product overview

The Condor MA8 Utility Pouch is a compact, modular accessory for military, tactical, police and outdoor use. It is designed to carry essential tools and small equipment securely on backpacks, plate carriers, belts and vests.

Definition: The MA8 Condor Utility Pouch is a semi-rigid, MOLLE-compatible pouch made from 1000 denier Nylon for durable, field-ready storage. Dimensions: Length 21.6 cm × Height 11.4 cm × Depth 8.9 cm.

Main features

Built for organized, quick access in demanding conditions, the MA8 combines rugged materials with practical attachment options.

- **Material:** 1000 denier (1000D) Nylon — tear- and abrasion-resistant, water-repellent finish.
- **Size and capacity:** 21.6 cm × 11.4 cm × 8.9 cm — fits power banks, gloves, torches, compasses, first aid items and small tools.
- **Closure:** Two-way reinforced zipper with dual sliders for ambidextrous access and glove use.
- **Attachment:** Rear M.O.L.L.E. straps with reinforced webbing plus front M.O.L.L.E. loops for extra modules.
- **Construction:** Semi-rigid anti-collapse body, double-stitched stress points and a drainage hole at the base.

How to use / When it’s useful

Quick answer: Use the MA8 as a general-purpose utility pouch on tactical gear, backpacks or belts to keep essential items organized and within reach. It works well for duty, patrols, hiking and survival kits.

In most cases, mount the pouch on any M.O.L.L.E.-compatible platform (backpacks, plate carriers, chest rigs). The semi-rigid shape helps keep contents accessible while the dual zipper allows fast retrieval even with gloves.

Care and notes

Basic care keeps the pouch functional and extends fabric life. Note that the pouch is water-repellent but not fully watertight, and internal padding is minimal.

- Wipe clean with a damp cloth and mild soap; air dry thoroughly out of direct sunlight.
- Not waterproof: use dry bags or additional protection for sensitive electronics.
- Check M.O.L.L.E. straps and stitching regularly for wear after heavy use.
- Store in a cool, dry place to prevent mildew or UV damage.

FAQ

Q: Is the pouch compatible with any M.O.L.L.E. system?

A: Yes. The MA8 is built to M.O.L.L.E. standards and attaches to most MOLLE/PALS webbing on

backpacks, vests and belts.

Q: Is the pouch waterproof?

A: The 1000D Nylon has a water-repellent finish but the pouch is not fully watertight. Use internal waterproofing for prolonged water exposure.

Q: Can it hold magazines or electronic devices?

A: It fits small magazines and many electronic accessories. The interior is not padded, so add protective sleeves for fragile devices.

Q: Is the vegetato (woodland) color regulation-compliant?

A: The vegetato pattern follows the Italian woodland-style camouflage and is suitable for concealment in wooded and mixed terrain environments.

Q: Is this an original Condor USA product?

A: Yes. This listing refers to original Condor Outdoor Products items sourced from authorized suppliers.

Q: Are other colors or bulk discounts available?

A: Alternate colors (Tan, OD Green, Black) may be available on request and quantity discounts can be arranged for units, teams or organizations—contact sales for current options.

Tip: Choose the pouch color and quantity that match your kit and mission needs, and consider browsing related tactical pouches and mounts to build a complete modular setup without overspending.
