**Product description:**

### Product overview

The Patch Soccorritore Militare Aiutante di Sanità is an identification patch made for Aiutanti di Sanità of the Esercito Italiano and for authorized collectors with the proper license. It is intended for use on operational uniforms, tactical vests, backpacks and ID panels in military, tactical and duty settings.

Definition: a shield-shaped, olive?green embroidered ID patch featuring a stylized black rescue cross and a tricolour "ITALIA" header, designed for low-visibility tactical use.

**Main features**

Compact, functional design built to meet field use expectations in tactical, military surplus and duty gear.

- **Shape:** shield format compatible with sleeve and arm pockets on operational jackets.
- **Colors:** darkened olive background with a black cross for subdued visibility in operational contexts.
- **Attachment:** hook-and-loop (Velcro) backing for quick application and removal without sewing.
- **Construction:** ballistic polyester base with high-density embroidered thread and overlock edging to prevent fraying.
- **Durability:** embroidered thread rated for wear, abrasion and regular washing.
- **Top band:** "ITALIA" text on a tricolour header to mark national unit identity.
- **Dimensions:** Width 6 cm, Height 7 cm, Thickness approx. 3 mm, Weight approx. 8 g.

**How to use / When it’s useful**

Use the patch on jacket sleeves, tactical vests, plate carriers, backpacks or ID panels to identify medical assistant role during exercises, missions and logistics operations. It helps teammates and medical staff quickly recognise the Aiutante di Sanità role in mixed teams.

Quick answer: apply directly to any compatible Velcro surface for immediate identification. In most cases, the subdued color scheme keeps the patch discreet in field or low-light tactical scenarios while preserving role recognition for unit members and allied personnel.

**Care and notes**

Short care guidance and purchase requirements to ensure correct use and compliance.

- Purchase restrictions: available only to active Esercito Italiano personnel after ID verification, or to collectors who provide a prefettizia license (ex art. 28 T.U.L.P.S.).
- Document verification: submit a readable military ID, service certificate or license copy via the site contact form to enable purchase.
- Cleaning: the patch tolerates gentle washing; avoid high heat and harsh detergents to

preserve embroidery and backing.
- Visibility: the design is intentionally obscured for tactical discretion and is not reflective or luminous for night visibility.
- Privacy: submitted documents are processed for verification only and handled in compliance with applicable privacy rules.

## FAQ

**Q:** Who can purchase this patch?

**A:** Only active personnel of the Esercito Italiano after identity verification, and collectors with a valid prefettizia license under art. 28 T.U.L.P.S., may purchase this patch.

**Q:** How do I send my military ID or license for verification?

**A:** Upload a clear copy of your military ID, service certificate or license via the contact form on the seller's website as part of the verification process.

**Q:** Is the patch already fitted with Velcro?

**A:** Yes. The patch includes a hook-and-loop (Velcro) backing for immediate attachment to compatible surfaces without sewing.

**Q:** Can I order more than one patch?

**A:** Yes. Multiple units can be ordered once your military status or collector license has been confirmed through the verification steps.

**Q:** Is this an original or official item?

**A:** The patch is produced to match operational design and materials suitable for military use; availability is limited to authorized personnel and licensed collectors to ensure compliance.

**Q:** What are the shipping and cancellation terms?

**A:** Orders are typically shipped 24–48 hours after successful document verification. Cancellation is possible only before shipment; contact customer service to request cancellation.

**Tip:** Choose the correct placement and check that your carrier or garment has a compatible Velcro panel before ordering. Also consider browsing related tactical patches and Velcro panels to complete your kit or collection.
