Product overview

The Fregio Ricamato Bersaglieri – Sottufficiali di Corpo is an embroidered badge for the stiff peaked cap used by Bersaglieri non-commissioned officers. It is intended for military personnel and authorised collectors who follow uniform regulations; sale is reserved and requires document verification.

Definition: a sewn, gold-on-blue embroidered cap insignia (10 cm × 9 cm) that identifies rank and unit. Suitable for military, tactical and duty uniforms and for military surplus collectors seeking authentic uniform insignia.

Main features

Designed for correct placement on the rigid peaked cap, this badge combines traditional iconography with durable materials and artisan finishing.

- **Type:** embroidered badge for stiff peaked cap – Bersaglieri, Sottufficiali di Corpo.
- **Iconography:** grenade with an oblique seven?tongued flame symbolising speed and energy.
- **Materials:** blue cloth base, gold canutiglia (metal bullion thread), high?reflection gold sequins, reinforced textile backing, finished perimeter edge.
- **Size:** 10 cm × 9 cm, optimised for centring on the cap crown.
- **Attachment:** sew?on (invisible stitch recommended) for stable, regulation?correct fixing.
- **Build quality:** artisan embroidery, raised relief details, reinforced stitching for daily use.
- **Sale:** reserved — identification and document check required before purchase.

How to use / When it’s useful

Quick answer: attach by sewing to the stiff peaked cap, aligning the base of the grenade with the cap centreline and using an invisible stitch in matching thread. In most cases, the badge is used on ordinary service and dress caps for parades, duties and formal representation.

Fit the cap on a firm hat block when sewing to avoid puckering. This model is optimised for the male rigid cap; for beret use choose a version specifically made for baschi (berets). Ensure centring, horizontal alignment and neat rear thread knots.

Care and notes

Simple care preserves appearance and metal thread sheen; follow these practical recommendations.

- Dry?clean only; avoid water, solvents, perfumes and alcohol that can damage threads and sequins.
- Dust with a soft brush and store in a dust bag; do not compress the embroidered relief.
- Check and reinforce stitch points periodically to keep the badge secure on the cap.
- Sale is restricted: purchase requires valid service ID or, for collectors, the prefectoral

licence (art. 28 TULPS) as applicable.

FAQ

Q: Who can buy this badge?

A: Purchase is reserved for serving Bersaglieri personnel after ID verification and for authorised collectors who provide the required licence. The seller performs document checks before sale.

Q: What documents are needed to buy?

A: Serving personnel must submit a valid service ID or certificate. Collectors must provide the prefectoral licence where required. Documents are verified by the seller before approval.

Q: Is this badge compatible with the beret?

A: This model is optimised for the rigid peaked cap (10 cm × 9 cm). There are separate versions specifically made for berets; choose the correct variant for proper placement.

Q: How should the badge be attached?

A: Sew on with an invisible overseam or running stitch along the outer edge, using thread that matches the cap or trim colour. Use a hat block to keep the cap shape during sewing.

Q: Will the gold thread or sequins fade?

A: The gold canutiglia and sequins are selected for durability under normal use. Avoid prolonged exposure to solvents, strong sunlight or moisture to maintain colour and shine.

Q: Can I have it shipped to a barracks?

A: Yes, delivery to the assigned barracks is an option when completing the shipping address. The seller also offers tracked shipping with protective packaging.

Tip: Choose the correct cap variant and size before ordering and consider a spare badge for intensive use; browse related insignia and cap accessories to complete the uniform set in a single order.
