How to use / When it’s useful

Use this ribbon as official recognition for eligible CRI volunteer personnel or as part of a uniform or memorabilia display. It fits standard 37 mm ribbon bars and can be combined with other service ribbons on a single base.

Quick answer: wear it on the uniform ribbon bar or place it on a metal ribbon holder for display. In most cases, select the rear-attachment type (clamp or screws) that matches your mounting preference and the "Elite" finish if you want a slightly domed appearance.

Keep the ribbon clean and store it in a dry place to preserve the metal cartouche and fabric color.

- Gently clean the metal cartouche with a soft cloth; avoid abrasive cleaners.

- Check the attachment type before fitting to ensure compatibility with your uniform or display board.
